2024 ABATEMENT REQUEST – Staff Notes

Map 410 Block 27 Lot 28 – Weinreb, Mark & Susan

The property owner filed an application for abatement for 2024 based on incorrect overall condition and physical data applied to the property. The property is an improved .20-acre parcel of land and building located at 21 Brigham St. in Laconia. It is improved with a 1 1/2 - story dwelling.

A detailed inspection and remeasure of the property was made by Pat Sohlman on November 21, 2024. It was determined that the condition of the property for its age was described as good. The property has flooring issues, most of it heavily worn and damaged along with damaged walls and trim throughout. Interior and exterior are no better than average. It is recommended that the interior floor description be corrected to a combination of mostly linoleum and hardwood and the condition be corrected to average. Making these changes reduced the value from \$295,300 to \$268,200.

It is recommended that the abatement request be granted for the 2024 tax year, abating \$27,100.

Passed and approved the 18th day of October 1990.

List other property in the municipality owned in the same name(s), even if abatements for the other property(ies) have not been sought. The taxpayer's entire real property estate must be considered in determining whether the appealed property is disproportionately assessed.

<u>Town Parcel ID#</u>	<u>Street Address</u>	<u>Description</u>	<u>Assessment</u>

SECTION E. Reasons for Abatement Application

RSA 76:16 provides that an abatement may be granted for "good cause shown". "Good cause" generally means: 1) establishing an assessment is disproportionate to market value and the municipality's level of assessment; or 2) establishing poverty and inability to pay the tax. This form can be utilized for either basis of requesting an abatement. **The taxpayer has the burden to prove good cause for an abatement.** To carry this burden, the taxpayer generally must show what the property was worth on April 1 of the year appealed. The property's market value would then be compared to the assessment by using the municipality's assessment ratio. Therefore, comparable sales or other market information are an essential part of most abatement applications.

1) If claiming disproportionality, state with specificity all the reasons supporting your application. Statements such as "taxes too high", "disproportionately assessed" or "assessment exceeds market value" are insufficient. Generally, specificity requires the taxpayer to present material on the following (all may not apply):

- Physical data** -- incorrect description or measurement of property (if you are appealing your assessment due to factual error(s), please explain in detail. Please furnish the assessor's office with any and all information, which supports your reasons. Examples: Sketch of building(s) with outside dimensions, building contracts, surveys, deeds, site plans, appraisals, pictures, etc. If you are questioning land area or frontage, a deed or survey must be included.); and/or
- Market data** -- the property's value on the April 1 assessment date, supported by comparable sales, income analysis, or a professional opinion of value; and/or
- Assessment data** -- the property's assessment exceeds the general level of assessment shown by comparing the property's market value and the city-wide level of assessment.

NOTE: If you have an appraisal or other documentation, please submit it with this application.

- If claiming poverty or inability to pay, state in detail why abatement of taxes is appropriate as opposed to some other relief such as relocating, refinancing, or obtaining some alternative public assistance. Ansara v. City of Nashua, 118 N.H. 879 (1978).

BOARD OF TAX & LAND APPEALS/
SUPERIOR COURT: ON OR BEFORE
SEPTEMBER 1, 2025

CITY OF LACONIA
TAXPAYER'S RSA 76:16 ABATEMENT APPLICATION
TAX YEAR 2024

**** PLEASE READ ENTIRE APPLICATION BEFORE COMPLETING THIS FORM****

Dear Taxpayer:

1. Complete the application by typing or printing legibly in ink. **This application does not stay the collection of taxes; taxes should be paid as assessed. If abatement is granted, a refund with interest will be made.**
2. File this application with the municipality by the deadline (see above). Date of filing is the date this form is either hand delivered to the municipality, postmarked by the post office, or receipted by an overnight delivery service. **Applications sent by facsimile or E-mail will not be accepted.**

DEADLINES: The "notice of tax" means the date the board of tax and land appeals (BTLA) determines the last tax bill was sent by the municipality. (If your municipality bills twice annually, you must apply after the bill that establishes your final tax liability and not before.)

Step One: Taxpayer must file the abatement application with the municipality by March 1 following the notice of tax.

Step Two: Municipality has until July 1 following the notice of tax to grant or deny the abatement application.

Step Three: Taxpayer may file an appeal either at the BTLA (RSA 76:16-a) or in the Superior Court (RSA 76:17), but not both. An appeal must be filed:

1. No earlier than: a) after receiving the municipality's decision on the abatement application; or b) July 1 following the notice of tax if the municipality has not responded to the abatement application; and
2. No later than September 1 following the notice of tax.

FORM COMPLETION GUIDELINES:

1. **SECTION E.** Municipalities may abate taxes "for good cause shown" RSA 76:16. Good cause is generally established by showing an error in the assessment calculation or a disproportionate assessment. Good cause can also be established by showing poverty and inability to pay the tax.
2. **SECTION G.** If the abatement application is based on disproportionate assessment, the taxpayer has the burden to show how the assessment was disproportionate. To carry this burden the taxpayer must show: a) what the property was worth (market value) on the assessment date; and b) the property's "equalized assessment" exceeded the property's market value. To calculate the equalized assessment, simply divide the assessment by the municipality's equalization ratio (assessment / ratio). Because a property's market value is a crucial issue, taxpayers must have an opinion of the market value estimate. This value estimate can be shown by obtaining an appraisal or presenting sales of comparable properties.
3. **SECTION H.** The applicant(s) must sign the application even if a representative (e.g. Tax Representative, Attorney, or other advocate) completes Section I.
4. **Make a copy of this document for your own records.**
