PROGRAMS:

Gordon Korman, Author had been voted and approved via e-mail shortly after the April 12, 2022, meeting. One opposed was Charles Bradley. The Middle School Principal reached out to Jim noting a mistake whereas Mr. Korman's two lectures were \$5,500 each. We approved

\$5,500 total. It was not noted as such when we voted. We do not intend to pay \$11,000 for both lectures. Therefore, the Principal will seek for other funding for the difference in this program. We believe this event could cancel.

LINDA EDER: The show was scheduled for September 11, 2022. Due to the rider requirements and many unanswered questions regarding the rider along with their lack of communication after many emails and phone calls, and our Agents lacking confidence with their administration, we may want to consider cancelling the show. Currently, we did not have a signed contract. Linda made a motion to cancel the show, Rich seconded it and with all in favor. We agreed the cancellation is sent to them in writing.

NEW HORIZONS BAND: Their Board made a request for \$1,000 to perform two concerts free to our Community in Laconia. Currently, they have a 20-member band and seeking to increase their membership. They will reach out to several communities to increase their band membership focusing on high school students in the area. Mary discussed three outstanding and successful students. The monies will assist in subsidizing their fees to high school students along with sheet music, rented space and more. The board currently has a \$12,000 annual working budget. Potentially they intend to perform at the Weirs Beach Park and the LHS Auditorium though they would dearly want to perform at the Laconia Colonial Theater asking us for guidance. Horizon's International has existed for 45 years. Their board works in conjunction with the Music Clinic with music lessons & therapy. Music is medicine. Linda made a motion to approve \$1,000 and Rich seconded it with all in favor.

STREETCAR & COMPANY TURNS 50: Becky Guyer is representing Streetcar. She has arranged a contract with the Colonial on Saturday, October 8, 2022. Their request is for \$3,500 all cost and expenses included. The show must be free along with tickets required for the show. Much discussion regarding house manager, sound and lights, advertising, volunteers and more. They expect to have 35 to 40 people in the show. They will draw songs/performances from their 50 years of show. Charles made a motion to approve the \$3,500 and Rich seconded it with a majority vote. Jim excused himself from the vote.

GOLDEN DRAGON ACROBATS: We are still working with Andrew through Spectacle. We made need fifteen rooms, it was suggested by Charles we coordinate the show and riders to be done as one.

#### NEW BUSINESS:

Steve Loughlin sent out to the board a request to consider Darlene Love. She lives in CT and per our agent, she will not travel. Last month Steve suggested a Carpenters tribute band. Jim will reach out to our Agent to review the cost and possibilities. The Batchelder of Broadway could

be a replacement for Linda Eder. We are concerned for their cost and asks our agent to consider negotiating with them and seek shows spending less monies.

MISCELLANEOUS: Meredith Elliot has given us her resignation for this upcoming year. She manages our Social Media site promoting our upcoming programs. Betty will check with Nancy Brown to get feedback from Scott for the potential of a city employee managing this task. We currently know the Parks & Recs and the Police Departments has a Facebook account. In the meantime, Linda will ask her daughter Darcy if she knows of someone who could manage the task.

ADVERTISE & PROMOTE: We discussed promoting our programs differently inclusive of using the name of the Trust being The Perley & Ellen M. Putnam Free Lecture Fund. It will be adjusted at the start of our new season. Betty will reach out to Jeff & Julie at the Daily Sun to suggest an article in the paper stating the history and news of the trust.

NEXT MEETING: June 14, 2022, at 9:00 am to be held at City Hall.

With no further business to come before the Board, the meeting was adjourned at 10:09 am.

Respectfully submitted,

Betty Ballantyne

The New Horizons Musical Organization of the Lakes Region is respectfully seeking financial support from the Laconia Putnam Fund for the sum of \$ 1000 to organize two concerts; one in the summer and one in the winter of 2022 for the citizens of Laconia

### **Who Are We?**

The New Horizons Musical Organization of the Lakes Region (NHMOLR), a 501(c)(3) non-profit (#80-02354288), was formed in February, 2007, with a mission to promote **Music for Life**. The NHMOLR was founded by Mary Divers and our Music Director is Debbi Gibson. We draw members from throughout the Lakes Region. Most members are 45 years of age or older and come with varied amounts of musical backgrounds.

### **Our Mission Statement**

- To promote "music for life" by creating band performance opportunities and continuing education for mature adult musicians who seek to make beautiful music together, for the enjoyment of members and audiences alike.
- To provide education for all musical levels including entry level adults and those returning to performance activities after long periods away.
- To include and encourage middle and high school level instrumental band students the opportunity to grow and experience ensemble literature and performance by attending rehearsals and concerts with the New Horizon Band.

### **What Are We Proposing?**

For the 2022 summer trimester, which runs from May 1<sup>st</sup> through August 31, the NHMOLR is planning to open participation in band rehearsals and summer concerts to high school students. The objective is to provide high school students an opportunity to rehearse alongside adult musicians on a weekly basis and attending our summer concert series as well as our Holiday concert(s). The tuition of \$ 75, would be waived for participating students.

### **Student Expectations**

- Students are expected to download the sheet music prior to their first band rehearsal.
- Student are expected to practice the music at home.

- Students will be expected to attend Tuesday night band rehearsals from 7 to 9 PM at the Music Clinic in Belmont, NH, with the exception of prior NHMOLR approved excuses, that being school functions.
- Student will be expected to attend summer concerts with the exception of a prior approved NHMOLR approved excused absence.
- Transportation to and from rehearsals will be the responsibility of the student/parent.
- Student can purchase the NHMOLR band shirt or wear a similar light blue colored shirt with black pants/shorts.

In the past, we have had students participate for the Laconia and Belmont School Systems. We are planning on opening this to students in the following school districts in the upcoming year: Laconia, Belmont, Gilford, Inter-Lakes, Plymouth, and Prospect Mountain.
