The Laconia Parks and Recreation Department has 20 parks, 9 cemeteries, five beaches, 15 athletic fields, thirteen courts, nine playgrounds, nine City buildings, and 27 extra areas that are not parks. She also explained that there are 28.5 acres being mowed weekly and the treatment process. The recreation department provided 60 different types of programs for all ages and abilities during the 2018-2019 year. Director Lovisek spoke of some programs that she would like to add such as a pickle ball program, a middle school aged summer camp, and an ultimate frisbee program.

There has been a request for a \$5,000 increase in the Grounds Maintenance line item due to the cost of the organic material that is being used.

Discussion was had regarding the clover on the athletic fields and how it is being corrected.
