**Description of matters discussed and final decisions made. Note: Any votes taken must be recorded “in such a manner that the vote of each member is ascertained and recorded”:**

There is also discussion of where the Pickerel Pond property acquisition currently is in process and what currently needs to be done to move forward. There was talk of asking the Planning Board to reappoint a new Conservation Liaison since there is currently no one in that position participating at the LCC meetings. Additionally, there is talk of better ways to inform the applicants of the capacity of the Conservation Commission and what to do if discussions/review become to heated. D. Anson makes a motion to table the non-public minutes of the 8/15/2018 meeting. D. Williams seconds. All in favor: Aye – 5 Nay - 0. The motion passes.

**Note:** Under RSA 91-A:3, III. *Minutes of proceedings in nonpublic sessions shall be kept and the record of all actions shall be promptly made available for public inspection, except as provided in this section. Minutes and decisions reached in nonpublic session shall be publicly disclosed within 72 hours of the meeting, unless, by recorded vote of 2/3 of the members present, **taken in public session**, it is determined that divulgence of the information likely would affect adversely the reputation of any person **other than a member of this board**, or render the proposed action of the board ineffective, or pertain to terrorism. In the event of such circumstances, information may be withheld until, in the opinion of a majority of members, the aforesaid circumstances no longer apply.*
