Topic: Brian Wolf – Seeking appointment as a regular member of the Water Commission for a three-year term expiring at the end of June, 2023

Discussion: Currently there is one vacant regular member position on the Water Commission, and filling this position is of a time sensitive nature. If the Mayor and Council agree to waive the Council's normal procedure of interviewing candidates at the first meeting of the month and officially appointing them at the second, appointment of Mr. Wolf will be taken up later in this agenda.
