Please list below any experiences, skills and/or qualifications which you feel would especially suit you for this position, and your reasons for applying

I bring over thirty years of business experience in banking, financial services, insurance, and technology to the Water Commission to support the Laconia community. My experience is concentrated in making operating decisions where factors including investment, return, risk, the law, social welfare, ethics, operating methods, and the morale of people are carefully and thoughtfully evaluated to determine the best course of action.

(Section Break)

---

Please explain why you feel that you should be appointed to the Board of Water Commissioners.

I want to support my community by bringing business and operating experience to the Board of Water Commissioners. I will support safe, reliable, and affordable water services in our community.

---

What were the primary reasons that led you to apply for this Board vacancy?

I want to volunteer to support my community.

---

Are there any educational, work or life experiences that you believe will be helpful to your decision making process should you be chosen as a Water Commissioner?

I am a graduate of the Lehigh University business school with over thirty years of business experience at companies including Citibank and Fidelity Investments. During the past 13 years, I have worked for the Acxiom Corporation, which is a provider database, technology, and information security services for large corporations. My role in these entities is supervising a line of business to achieve short term objectives while building capabilities that deliver long term, reliable growth.

---

Do you foresee any circumstances that would restrict you from performing these duties?

None
