

STAFF REPORT

March 22, 2021

Topic: Acceptance and expenditure of unanticipated funds in amounts less than \$10,000 made available during the fiscal year, as per Council Resolution 2019-24 and RSA 31:95-b.

Discussion: As reported at the Council meeting of January 27, 2020, The Enablement Group has been contracted to create a video documentary of the Colonial Theatre renovation project at a cost of \$10,000, with funding provided through community donations and the City is in receipt of a generous donation of \$1,500 from Rist-Frost-Shumway PC toward this endeavor.

Fiscal Impact: Acceptance of this donation will offset a portion of the cost of developing this documentary. With acceptance of this donation the entire project cost will be offset by community donations.

Staff Recommendation: Accept the \$1,500 donation from Rist-Frost-Shumway PC.

This report submitted by: Scott Myers, City Manager

Proposed Motion:

“I move to accept the \$1,500 donation from Rist-Frost-Shumway, PC to be used to create a video documentary of the Colonial Theatre renovation project.”
