Please list below any experiences, skills and/or qualifications which you feel would especially suit you for this position, and your reasons for applying

I enjoy walking around the city with my dog. I have an interest in the history of the city but I also keep an eye toward the future as I see the potential for growth and development in Laconia. I am a retired high school chemistry teacher so I feel I have the ability to study the facts, listen to debate, and reach a decision that falls within the framework of existing Codes and Regulations.

In addition, I read the local papers in an attempt to keep up with all that is happening in and around Laconia. I also subscribe to and read the weekly city newsletter "Laconia Links". I also support the Colonial Theater project and Belknap Mill. And I also frequently participate in and support local volunteer activities such as Got Lunch, Children's Auction, and community trash pick up days.
