

May 2021

Dear Matt, Megan + Michelle,

We thank you for your contributions towards the success of the Laconia Kiwanis Bicycle Safety Rodeo. (60) sixty children participated in the event. Thank you for the donated helmets, the fittings and no registrations! Piche's + McCycle donated technicians to inspect the kids bikes to be street safe. Fun handouts for the kids were donated by the Laconia Fire Dept, Salvation Army, Belknap County Sheriff's Office and the Boys + Girls Club, the winner of the free raffle is Nolan Churchill of Laconia. He won a new Trek bike from Piche's value at \$299 -. A silent donor purchased the bike.

Thank you for your generosity!
