Topic: Temporary Traffic Order 2021-12, Weirstoberfest

Discussion: A request has been made to hold Weirstoberfest on October 1 – 3, 2021 from the hours of 5 pm Friday, October 1 to 5 pm Sunday, October 3.

The organizer of this event is requesting the use of the City's sidewalk area between Tower Street and Foster Avenue as shown on the attached map of the event, and also to request that the adjacent parking spaces in that area be reserved for the event. There will be no patrons allowed in the reserved parking spaces.

This request is being made to avoid the high cost of providing jersey barriers between the parking spaces and Lakeside Avenue. The organizer will provide a fence as a barricade between the sidewalk and the curb adjacent to the parking spaces. The parking spaces will be reserved by the use of cones and/or barricades.

The Special Events Review Committee approved this request at their September 1, 2021 meeting. Since paid parking on Lakeside Avenue will still be in effect during this event, the organizer of this event (Anthony Santagate) would be happy to discuss payment to the City for the revenue that would be lost for those spaces during the event.
