

## **STAFF REPORT**

*October 25, 2021*

**Topic:** Temporary Traffic Order 2021-17 - Wicked Weirs

**Discussion:** On September 13, 2021, the City Council approved a Temporary Traffic Order for the Wicked Weirs event encompassing only the use of the City's sidewalk area between Tower St. and Foster Avenue, and the adjacent parking spaces in that area. At that time, the Council also approved alcohol consumption on the City sidewalks in the designated area.

Subsequently, the organizer of Wicked Weirs requested the footprint of the event be revised so that it is the same as Biketemberfest, blocking off the area on Lakeside Avenue as shown on the attached map (from Tower Street to Foster Avenue) for pedestrian use only. A copy of an amended Notice of Action reflecting these changes is attached.

The City Council is being requested to consider waiving fees associated with this event. Fees due would be \$675 for Special Events, \$150 for Licensing for an event license, and a \$420 fee due the Department of Public Works if they will be picking up the trash. The organizer is responsible for the cost of the police details.
