About

About the Rx Summit

The Rx Drug Abuse & Heroin Summit is the largest national collaboration of professionals from local, state, and federal agencies, business, academia, treatment providers, and allied communities impacted by prescription drug abuse and heroin use. It is *the* event for decision-makers and allied professionals working to address this public health emergency.

The Summit began in 2012 under the leadership of Operation UNITE (<http://www.operationunite.org/>) and U.S. Rep. Harold "Hal" Rogers (KY-5th). Operation UNITE (Unlawful Narcotics Investigations, Treatment and Education, Inc.) was created in 2003 by Congressman Rogers. UNITE is a collaborative model striving to prevent abuse of drugs and facilitate recovery by creating strategic partnerships, providing leadership, promoting education, coordinating treatment, and supporting law enforcement. UNITE serves a 32-county region in southern and eastern Kentucky.

The Summit is now the largest annual gathering for stakeholders to discuss what's working in prevention and treatment. Notable speakers in past years have included President Joe Biden in 2021, President Donald J. Trump and First Lady Melania Trump in 2019, President Bill Clinton in 2018, and President Barack Obama in 2016.

The Rx Summit is produced by HMP Global as part of the Psychiatry and Behavioral
