I have a master's in architecture from Wentworth institute of technology. I currently work as an architectural designer in Laconia and I'm on my way to being a licensed architect. I formally worked as a real estate agent in the Boston area. so I have particular experience in designing structures as well as working with people who have keen interest in the built environment.

In your family or professional life, would you have frequent conflicts of interest on cases before the Board/Commission that would require you to recuse yourself?

I currently work for an architecture firm so certain cases related to where my firm is commissioned for the project would put me in conflict.

Can you commit to attending the scheduled meeting(s) every month and possibly occasional extra meetings?

yes

Do you feel you can wait to weigh all of the information pertaining to an application before making a decision?

yes

Do you realize there are rules, regulations and laws to follow when making a
