Please list below any experiences, skills and/or qualifications which you feel would especially suit you for this position, and your reasons for applying

I have strong knowledge and understanding of appropriate preservation guidelines. I have done extensive, personal research on historic districts and have spoken with a number of chair people of those commissions and municipal leaders in those communities regarding their experiences with their historic district. I have relationships with state and local organizations that focus on historic preservation. I am intensely supportive of the forward and positive growth Laconia is making at this time and understand a historic district will strengthen and further this growth. I enjoy working collaboratively to achieve a common goal and to find alternative methods for finding answers to problems.
