RE: Lakeside Avenue Vendor Spaces – Bike Week

In accordance with Chapter 195 of the City Code, this notice is to certify that City of Laconia's Special Events Review Committee voted to approve the temporary vendor sites as shown on the plan received on April 13, 2021 at the meeting of May 5, 2021 with the following conditions:

1. Applicant shall ensure vendors waste is disposed of in dumpsters at all times so as not to interfere with pedestrian flow on the sidewalk or abutting properties.
2. Vendors shall not place merchandise or allow protrusions into the public ROW.
3. The tattoo vendor is expanding into the building at 194 Lakeside Avenue.
4. No food vending is allowed on site.
5. No overnight camping is allowed on site except at designated areas.
6. Vendor #16 will maintain a 10' setback from Ames' property line.
7. Code will inspect the temporary platforms one week prior to the start of Bike Week.
8. Cord type shall be no less than 15 amp, 125V, UL listed, heavy duty outdoor use.
9. In the event that the length of cord required exceeds the standard length (25', 50', 100') the next longest length cord shall be utilized. Only single cords shall be allowed; no coupling of cords will be allowed.
10. Multi-plus adapters or power strips are not to be used at the end of any cord to power multiple electronic devices.
11. Emergency Contact is listed as headquarters at 366-4470 or Mike Young at 556-1635.
12. **All temporary structures and all temporary signs including but not limited to banners, portable signs, and changeable copy MUST be removed by June 25, 2021.**
13. All aspects of this site shall comply with Chapter 195 and Appendix A and Appendix B.
14. Property owner voluntarily agrees not to allow Dyno-tuners on site at any time during Motorcycle Week.
15. The applicant will be required to separate all cardboard from their solid waste stream and deposit the cardboard into containers supplied by the city which will be marked as "cardboard only".
16. Each vendor tent needs a sanitizing station in the front.
17. Each vendor's license needs to be obviously displayed.
18. Maintain 15' separation between vendors.

The Special Events Review Committee enforces the above-stated land use approval and may conduct spot inspections. The SERC has authority to suspend an approval at any time and impose fines up to \$500 per violation per day if the site does not comply with the approved plan and conditions of approval under Section 195 of the Special Events Ordinance.

A safe event to you!
