SPACES IN THE CITY PARKING LOT BEHIND ST. JOSEPH'S CHURCH**

Discussion: The City Manager's office was contacted recently by a representative of the U.S. Postal Service wishing to discuss leasing spaces in the City parking lot behind St. Joseph's Church. They are requesting to lease nine to fifteen spaces in this location to be used by U.S. Postal Service vehicles.

If the Council wishes to move forward with this discussion, a Public Hearing will be scheduled to gather public input, and the City Manager will provide details of a proposed lease agreement at that time.
