Good Afternoon Chief Canfield,

This is a good note.
I might assume you get more than your share of complaints – this is not one of those.

Last Saturday (1/14) at just before 10p we were pulled over on North Main Street at Opechee Park heading north.

My wife, my son, his girlfriend and I were returning from an Upper State NY visit to grandkids. I saw up ahead the blue lights of a traffic stop near Blueberry Lane, confirmed that I was not exceeding the speed limit and to my surprise saw the lights in my rear view mirror and was pulled over.

Your Officer could not have been more professional, courteous, efficient or kind.

Although my wife had paid attention to my reminder to get her car inspected, she forgot to reregister it --- an orange sticker is not a good thing to have in 2023.

Your Officer could not have represented your Department better. I apologize for not getting her name. The call number noted is 23-860

As soon as City Hall opened this past Tuesday my wife renewed her registration.

Thank you for all you do!
