Description of Issue	How do we inquire whether a neighbor has proper licensing to do Air b n b renting of their property? Last night we had atleast 7 + vehicles trying to park in a driveway of a neighboring house that doesn't have room for that many cars. With lots of noise and safety concerns on N Main ST. People in standing in the road after dark trying to unload and park cars and trying to direct traffic. A real safety concern, not to mention the garbage left along the street this morning. Not to mention that the owner of the house doesn't hire anyone to plow the driveway, is concerning. I truly hope the city doesn't turn into a transient rental community.
