Subject: Restoration of Involuntarily Merged Lots

Hi Nancy and Scott,

It was a pleasure speaking with you Wednesday.

We are writing to request that lot 170-314-17 located on Colonial Road, under account 5278 listing Chris Patrick Hayes as owner, be respectfully restored back to 5 individual lots. We understand the next meeting will be held on April 22nd, kindly add this request to the evening's agenda.

Please feel free to contact me if you have any questions or concerns at 508-498-5738.

You may mail the findings to the following address: 7 Pond Street, Medway, MA 02053.

Sincerely,
Grace Hayes
