

STAFF REPORT

April 22, 2019

Topic: Request from the Weirs Action Committee to charge \$10.00 per vehicle to park at Endicott Rock parking lot during their scheduled fireworks shows for the 2019 season.

Discussion: The City will program the two parking kiosks at the beach to turn off at the specific start times on the specific dates. Signage will be placed on all kiosks that would state that cars parked after 8:00 pm would be subject to the fireworks parking fee of \$10.00.

Fiscal Impact: There will be an undetermined amount of loss revenue to the City for the two hour time frame that the Weirs Action Committee will be collecting the \$10.00 parking fee on the dates listed on the attachment.

Staff Recommendation: This request was approved by the Parks and Recreation Commission at their meeting held on Monday, April 15, 2019.

This report submitted by: Scott Myers, City Manager

Proposed motion:

“I move to approve the request from the Weirs Action Committee to charge \$10.00 per vehicle to park at Endicott Rock parking lot during their 2019 Fireworks Shows.”
