Dear Mr. Myers,

Prescott Farm Environmental Education Center is a 501C3 nonprofit organization located at 928 White Oaks Road, Laconia. Our Harvest Festival is scheduled to take place on Saturday, September 14, 2019. On Friday, July 25 we will be submitting a Special Events Application and an Application and Permit for Outdoor Loudspeaker. I have been advised that nonprofit organizations may request a waiver of the \$100 and \$10 application fees by submitting a written request to your office. Please accept this letter as my request for said waivers.

I appreciate your consideration in this matter and would be happy to discuss our event and our programs with you further if you have any questions.

With gratitude,
