

STAFF REPORT

August 26, 2019

Topic: Temporary Traffic Order 2019-13, “Chaos and Kindness Event” – Recycled Percussion

Discussion: The organizers of the “Chaos and Kindness Event” to be held on Saturday, September 21, 2019 have requested street closures in connection with the event. Temporary Traffic Order 2019-13 and a map are attached.

Appropriate signage will be put in place and every effort will be made to lessen the impact to businesses affected by the road closures, and to allow their customers to access them in as easy a manner as possible.

Fiscal Impact: The City will require that cash (in an amount to be determined) be received from the organizer prior to the event and placed in escrow to cover all estimated and anticipated overtime costs and related services for police, fire, public works, etc. Any overage in escrow funds will be returned to the organizer after the event.

Staff Recommendation: Staff recommends approval.
