

STAFF REPORT
November 25, 2019

Topic: First reading of Resolution 2019-25, relative to the support of a proposed Lakes Region Recreation Trail extension in the existing State-Owned railroad corridor

Discussion: At the October 15, 2019 meeting the Council heard a presentation from Allan Beetle, President of the WOW Trail organization. A printed copy of an Executive Summary for the proposed trail segment was provided to the Councilors at that meeting, and an electronic version of the full report was emailed to them the following day.

Fiscal Impact:

Staff Recommendation:

This report submitted by: City Manager Scott Myers

Proposed motion:

1. *"I move to waive a reading of this resolution in its entirety and to read by title only."*
2. *"I move a first reading of Resolution 2019-25, relative to the support of a proposed Lakes Region Recreation Trail extension in the existing State-Owned railroad corridor."*
3. *"I move to approve Resolution 2019-25, relative to the support of a proposed Lakes Region Recreation Trail extension in the existing State-Owned railroad corridor."*
