6.1. PL2022-0011 Coffee Festival Application (PDF)

Applicants Karen Bassett and Cori Estes outlined the application and updated the Committee on their progress since the February meeting.

One change outlined was that there will not be a beer tent in the City Hall parking lot and in Veterans Square, Local Eatery will be requesting an extension of their liquor license to go out further on their patio area. They will be putting up a tent in this area which will be the "beer tent". C. Roffo noted that if the tent is 400sf or larger that it will require a temporary assembly permit and would need to be up by Friday for inspection.

The applicants discussed the closing of a portion of Beacon St. East. After discussion with the committee it was decided that Beacon St East would remain open to traffic and that the applicant will request the use of the parking spaces on Beacon St. East for the food trucks (similar to how Multicultural Festival has done in the past). The Committee members suggested that the applicants reach out to Captain Finogle at the Laconia Police Department regarding the best barriers, etc to close down the spaces as well as regarding the closure of Canal St. It was also suggested that a volunteer could man the crosswalk on Beacon St. East nearest the parking garage to assist attendees in crossing back and forth between venue locations.

The applicants noted that they have provided an insurance certificate as well as dumpster and portopotty information. C. Estes thanked K. Santoro for her assistance in completing the application and pointing her in the right direction.

The Board discussed the conditions that would be placed on an approval, they would include:

- The event will be held on Friday, May 20, 2022 and Saturday, May 21, 2022.

- No overnight camping or parking is allowed.
