

City of Laconia  
Planning Board & Conservation Commission  
Wednesday August 18, 2021 4:00 PM  
Site walk  
*Accepted October 5, 2021*

Present from Planning Board: Brett Beliveau, Stacy Soucy

Present from Conservation Comm: Dean Anson, Mike Foot

Present for applicant: Jason Hill, TF Moran; David Jennings, President of Jennings Excavation Inc.; Timothy Britain Esq., CLEVELAND, WATERS AND BASS, P.A.; Chris Danforth- TF Moran (Wetlands Scientist)

Staff: Conservation Tech Taylor Daigle, Planning Director Dean Trefethen and Assistant Planner Rob Mora

The site was toured. The vernal pool and adjacent wetlands were observed. The rock pile and loam pile were observed. Questions were asked about the present utilities and their possible reuse. Areas of adjacent home/abutters were explained. How the new detention pond and drainage would work were explained.

Arrangement of the entrance driveway and secondary driveway were outlined. The improvements to Endicott Street East and required turn lanes were discussed.

Site walk ended at 5:15pm
