## Winner of the 2021 Debra Bieniarz Memorial Award!

## Welcome to Laconia Links!

We hope you enjoy this issue of our weekly e-mail newsletter created to keep you up to date on City of Laconia news and activities. If you would like the newsletter sent to your email each Friday, or if you have changes to your email subscription, please call the City Manager's office at (603) 527-1270 or email us at [info@laconianh.gov](mailto:info@laconianh.gov).

The City of Laconia is honored to have presented the 2021 Debra Bieniarz Memorial Award to Joan Cormier, an Advisory Director and former Executive Director of the Lakes Region Scholarship Foundation. Ms. Cormier was presented with the award at a recent City Council meeting. Joan is shown (above) receiving the award from Mayor Andrew Hosmer. To read the award language in full, please click [here](#). Congratulations Joan, and thank you for everything you do for our community!

## SNOW EMERGENCY

The City of Laconia anticipates declaring a snow emergency on Friday that will begin at 9 am January 29th and will last until noon on January 30th due to the predicted 8+ inches of snow and snowdrifts expected with the storm. During this time no vehicle can be parked on a public street in the City. Drivers who normally park their vehicles in a downtown parking lot must park in the parking garage to enable the City to plow the parking lots during the storm. The National Weather Service is predicting bands of snow where the snow may fall at 2"+ an hour. A City plow route is over 4 hours long, so residents should expect 4" or more of snow on the roads at times. The City asks that residents stay off from the roads as much as possible to allow the snow plow operators to keep the roads open. Typical areas with high drifts are Weirs Blvd., White Oaks Road, Parade Road and other roads adjacent to large open areas.

## Northern Lights Chalk Pastels

Teen & Tween Craft | Tuesday, February 1 3pm

### Teen & Tween Craft: Northern Lights Chalk Pastels February 1, 2022, 3 - 4:30 pm

Create your own Northern Lights in chalk pastels! For teens and tweens ages 9 - 19 in the Auditorium.

## Preschool Storytime WEDNESDAYS & THURSDAYS

### Preschool Storytimes!

February 2, 2022, 10 - 11 am.

February 3, 2022, 10 - 11 am.

Join Jamie for fun stories, songs, activities, and crafts each week. For kids birth to age 6, in the Selig Storytime Room.

### Drop-In Tech Help with Shayla January 26, 2022, 2:00 PM - 3:30 PM

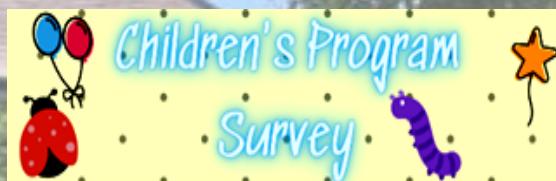

Come to the Volpe room to have your basic computer and electronic device questions answered by a librarian!

### Craft for Storytimes:

Will the groundhog see his shadow?

Join us for a day of stories about our favorite forecaster during our Preschool Storytimes (see above for dates and times).

OUR CHILDREN'S ROOM WOULD LOVE TO HEAR FROM PARENTS ABOUT WHAT THEY WANT TO BRING THEIR CHILDREN TO!

1. Are you interested in a book discussion group for children?
2. Would you like to see evening programs for children?
3. Would you like to see Saturday programs for children?
4. Did you know we host a monthly movie showing?
5. Are you interested in a play-group for children?
6. Are there any programs you're excited about that we haven't held before?
7. Are there any programs we've done that you loved and would like to see again?

Text us your answers to

(603) 556-4666

or email Jamie at

# Department of Public Works

## What is a Public Road Right of Way?

A public right of the way is the area that has been “given” to a government for the public’s use. Typical uses for a public a right of way include roads, bike paths, sidewalks, stormwater drainage and public utilities. In New Hampshire, municipalities or NHDOT control these rights of way.

To protect public rights of way to ensure their continued use by the public, states and municipalities have implemented laws, ordinances and regulations. Property owners cannot build or obstruct the right of way in front of their property without obtaining an encroachment or license from the government that controls the right of way. For most streets in the City, that is the City of Laconia. Meredith Center Road, Parade Road, Endicott Street North and Endicott Street East, as well as portions of Routes 106 and 107 in the City limits, are state roads.

If you want to construct a driveway or replace/repair a driveway you will need a driveway permit. This permit provides the City the opportunity to ensure the driveway will not interfere with the public’s use of the right of way.

The only item that can be in the right of way without a permit is a simple mailbox. If you want to construct a large structure to support your mailbox please contact Public Works first.

Public Works has heard many different comments from residents on where they think the edge of the right of way is in front of their property. Some include:

- Edge of pavement
- 20 feet from the center line of the road
- 5 feet from the edge of pavement

These may be true in certain situations but only by accident as rights of way vary in width depending on the intended use of the road at the time of its creation. One section of Main Street has a right of way that is over 180 feet wide. Also, a road may not be in the center of the right of way.

So, how do you determine where the edge of the right of way is on your property? One simple way that gives a fairly accurate representation of the location of a right of way is the [tax map](#) program on the City’s website. One option that may help locate the right of way is to add an aerial “layer” photograph to the map. You can find that feature by clicking on the icon in the top right corner that looks like a window. You can also find it by using the description of your lot in your deed to find the property’s boundary pins that were placed by the surveyor when your area/lot was developed.

Questions? Please call the Department of Public Works at (603) 528-6379.

***Coming soon – What are private rights of way?***

VOLUNTEER INCOME TAX ASSISTANCE

# Winter Parking Ban!

The City of Laconia's winter parking ban is now in effect. As of November 1st, no vehicle is allowed to be parked on a public street between the hours of 12:00 midnight and 6:30 a.m.

This parking ban allows our City vehicles to safely and effectively keep our streets passable during and after a winter storm. Failure to comply with the winter parking ban may result in your vehicle being towed at your expense.

*Thank you for your cooperation!*

## Soft Plastic Recycling

The Laconia Gilford Lions, together with the Green Sanctuary Committee of the Unitarian Universalist Society of Laconia, is again collecting clean SOFT plastics on Saturday, February 19th.

We are collecting plastic grocery bags, vegetable bags, pet food bags, bubble wrap, newspaper sleeves, bread bags, air packing bags, dry cleaning bags, wood pellet bags, and ice bags. Each and every piece of CLEAN plastic is sent to Maine via the way stop at Hannaford's in Gilford to be repurposed and made into composite decking and outdoor furniture.

Our volunteers (masked) will be in front of the little white church at 127 Pleasant Street Laconia from 11 am until 1 pm on the February 19th.

Our community is doing a great job in keeping these plastics from polluting the Earth. Our last collection on January 8th weighed in at 222 pounds! Everyone who stopped by should be mighty proud of what they have done and are doing. Please spread the word.

Earth is our Valentine.

# Carbon Monoxide Safety

Often called the invisible killer, carbon monoxide is an invisible, odorless, colorless gas created when fuels (such as gasoline, wood, coal, natural gas, propane, oil, and methane) burn incompletely. In the home, heating and cooking equipment that burn fuel can be sources of carbon monoxide.

- CO alarms should be installed in a central location outside each sleeping area and on every level of the home and in other locations where required by applicable laws, codes or standards. For the best protection, interconnect all CO alarms throughout the home. When one sounds, they all sound.
- Follow the manufacturer's instructions for placement and mounting height.
- Choose a CO alarm that is listed by a qualified testing laboratory.
- Call your local fire department's non-emergency number to find out what number to call if the CO alarm sounds.
- Test CO alarms at least once a month; replace them according to the manufacturer's instructions.
- If the audible trouble signal sounds, check for low batteries. If the battery is low, replace it. If it still sounds, call the fire department.
- If the CO alarm sounds, immediately move to a fresh air location outdoors or by an open window or door. Make sure everyone inside the home is accounted for. Call for help from a fresh air location and stay there until emergency personnel declare that it is safe to re-enter the home.
- If you need to warm a vehicle, remove it from the garage immediately after starting it. Do not run a vehicle or other fueled engine or motor indoors, even if garage doors are open. Make sure the exhaust pipe of a running vehicle is not covered with snow.
- During and after a snowstorm, make sure vents for the dryer, furnace, stove, and fireplace are clear of snow build-up.
- A generator should be used in a well-ventilated location outdoors away from windows, doors and vent openings.
- Gas or charcoal grills can produce CO — only use outside.

## HOME HEATING EQUIPMENT

Have fuel-burning heating equipment and chimneys inspected by a professional every year before cold weather sets in. When using a fireplace, open the flue for adequate ventilation. Never use your oven to heat your home.

## FACTS

- ! A person can be poisoned by a small amount of CO over a longer period of time or by a large amount of CO over a shorter amount of time.
- ! In 2010, U.S. fire departments responded to an estimated 80,100 non-fire CO incidents in which carbon monoxide was found, or an average of nine calls per hour.

# Our yesterdays

*Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....*

## THEN ...

**Walter A. Woodward's Garage, off Rowe Court, Laconia, was located here, beginning in 1944. The South Baptist Church is glimpsed at far left. (Laconia Historical and Museum Society)**

## ... AND NOW

**John Gauthier and Bryson 'Joe' Haddock bought Woodward's in 1954 and the business relocated to Prescott Hill in 1968. Meanwhile, the Loyal Order of Moose bought the Rowe Court building in August 1967, occupying the space until fire, Jan. 17, 1978, reduced the building to 'a pile of embers in the space of two hours.' Today, part of Rowe Court is seen at upper left and the former site of the garage is unoccupied. Orange Court and the Gove Mansion are obscured behind the red building and pine tree. (Adam Drapcho/The Laconia Daily Sun)**

Tickets now on sale  
for both performances!

Visit the Colonial Theatre's website at [www.coloniallaconia.com](http://www.coloniallaconia.com) for more information on these and upcoming performances.

Tickets can be purchased on the Colonial's website, or by calling 1-800-657-8774.

*All dogs are to be  
registered by April  
30<sup>th</sup> each year.*

## Soft Protests with Pam Weeks

The Belknap Mill Quilters' Guild will host a live and virtual lecture at 7:00 pm on Wednesday, February 9, 2022. "Soft Protests" will be presented by quilt historian, Pamela Weeks.

Pam will share photos that show the history of story-telling and raising social awareness and protest in textiles and quilts. Stories were quilted into bed coverings as early as 1400, and protest quilts go back to 1830.

The Guild is offering this program to the public at the Belknap Mill in Laconia.

Non-guild members may register for this class at [info@bmqq.org](mailto:info@bmqq.org) and indicate if you will attend in person or on Zoom. The cost is \$5.00 per person.

The Guild is supported in part by a grant from the New Hampshire Council on the Arts and the National Endowment for the Arts.
