The abatement filing period is now open until March 1st. This is the process by which taxpayers can dispute their final 2015 value. Applications for abatement are available in our office or can be mailed upon request, by calling 527-1268.

We always recommend owners get a copy of their PRC (property record card) to verify its accuracy and to be able to compare on a year-to-year basis to monitor what changes have occurred.

Please call the Assessing Office at 527-1268 with questions.

## *News* From the Laconia Water Department

Please click [here](#) for the Water Dept. website!

The Laconia Water Department will be holding a public hearing on Wednesday, January 13, 2016 to gather comments on raising its rates on consumption from \$1.45 to \$1.85 per hundred cubic feet (hcf). This meeting will be held at the Water Treatment Plant conference room at 117 Stark Street beginning at 6:00 p.m.

The Board of Water Commissioners chose to increase only the consumption portion so that large and small businesses as well as individual homeowners will not see an increase in their base/unit rate.

It is also felt that a consumption only increase will help to promote water conservation.

Operational increases have been taking place while simultaneously the volume of water billed has decreased approximately 1.5% per year over the last 15 years. The majority of our customers fall into the single family residential category and the proposed increase will amount to approximately \$40.00 per year per household. Even after this increase, the average home only pays \$0.73 a day for water or \$0.003 per gallon.

If you have any questions, please contact Seth Nuttelman, Laconia Water Works Superintendent at 524-0901.

**NH HUMANE SOCIETY**

## Pet of the Week: Elliott

Time heals all at New Hampshire Humane Society. Elliott, the debonair tuxedo cat can attest to that!

In February when he arrived, worn and weary, he showed all the physical signs of a very rough life spent existing on the streets. We patched him up, provided the care he needed, loved him and cuddled him and showed him a new way... one where humans are kind and thoughtful, life is comfortable and food is not something one has to forage for.

This handsome black and white cat is as sweet as can be now that the weight of the world no longer bears down upon him.

We'd love to see him go home for the holidays; truly, he's waited patiently, and now is ready to start a new chapter in his life. He's ready to blossom and be the very best companion – you really just need to meet him!
