# COMMUNITY LISTENING SESSIONS

## Laconia City Manager Search Process Begins

After nearly eleven years as the Laconia City Manager, Scott Myers will be leaving his position with the City to pursue other opportunities. Municipal Resources Inc. (MRI), a New Hampshire company with a great deal of experience in conducting searches of this nature, will begin work soon to help us find our new City Manager.

As part of the search process MRI will be holding two Listening Sessions for the public to attend and provide input on what they would like to see in the next City Manager, along with what they see as short and long-term challenges for Laconia.

The two Listening Sessions will be held in the Laconia Rotary Hall Auditorium in the Laconia Public Library on Thursday, April 7, 2022. The first session will be at 2:00 pm and the second will be at 7:00 pm.

For those who cannot attend the sessions in person, we invite you to provide your comments via email at the following e-mail address: [laconiacmsearch@mrigov.com](mailto:laconiacmsearch@mrigov.com). Please include the word "Laconia" in the subject line of your email. For questions of a general nature, please call the City Manager's Office at (603) 527-1270.

*We hope you can join us to offer your comments  
and input on this important subject!*

## YOUNG PERFORMERS

# OPEN MIC

SUN. MARCH 27TH, 2022  
2-4P

BELKNAP MILL  
25 BEACON ST EAST  
LACONIA, NH

SPONSORED  
BY:

CALLING ALL: MIDDLE AND HIGH SCHOOL  
STUDENTS IN THE LAKES REGION

PRESENTED BY: JOHN MCARTHUR OF NH MUSIC COLLECTIVE AND BELKNAP MILL

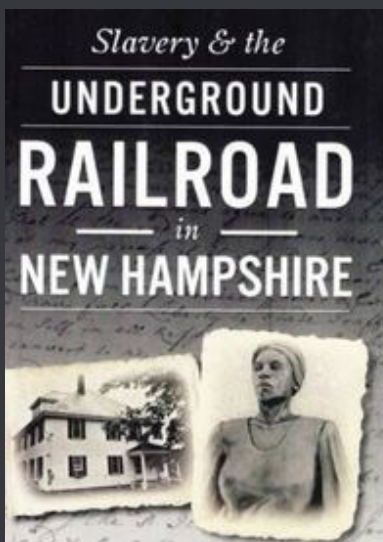

## Open Mic Takes An Emotional Turn

"They don't sing or play an instrument, but is it OK if our students practice their TED Ed talks at your open mic?" That was the question that Lorraine Connell, a teacher at Brewster Academy in Wolfeboro posed, when she contacted John McArthur of NH Music Collective, about the Young Performers open mic at Belknap Mill. "An open mic is an open mic," he said, "and any middle or high school student is welcome. They can sing, play an instrument, recite poetry or give a talk."

But the open mic took an unexpectedly emotional turn when Jasmine Khakhunmalee from Brewster Academy took the mic to tell her story of the sexual harassment she had experienced growing up. And when Tata Tirapongprasert told his story of reciting poetry to overcome his stuttering, the audience of 42 was both impressed and moved. There were seven performances last month including solo performances on piano and guitar, a teen band, and three spoken word performances.

This month's open mic, sponsored by Strings & Things in Concord and organized by NH Music Collective in Gilford, will be held Sunday, March 27th from 2-4 at Belknap Mill.

The open mic will include a feature performance by pianist and Belmont High School student, Kyle Dumais. To sign up for the open mic, performers should email John McArthur at [john@nhmusiccollective.com](mailto:john@nhmusiccollective.com).

## *Slavery & the Underground Railroad In New Hampshire -* Presentation by Michelle Arnosky Sherburne, author and journalist

Sponsored by the Laconia Putnam Fund, the Laconia Historical and Museum Society is partnering with the Belknap Mill Page Turners Book Club for the Society's first program of 2022!

Journalist and author Michelle Arnosky Sherburne will discuss her book *Slavery & the Underground Railroad in New Hampshire* and the 25 years of research she did on the Vermont and New Hampshire Underground Railroad network. A Civil War history writer, Ms. Sherburne has also written *A Vermont Hill Town in the Civil War: Peacham's Story, Abolition and the Underground Railroad in Vermont, and St. Albans Raid*.

The presentation will be held Monday, March 28 at 6:00p.m. in the Rose Chertok Gallery, on the third floor of the Belknap Mill and can be attended in person or viewed via live stream on the LHMS Facebook page. Seating will be spaced, and masks are recommended. For more information or questions, contact LHMS at [lhmslpl@metrocast.net](mailto:lhmslpl@metrocast.net), call (603) 527.1278 or visit the Society's Facebook page. This presentation is hosted by the Laconia Historical and Museum Society, in partnership with the Belknap Mill Page Turners Book Club. (Courtesy photo)

## Think Twice Before Buying Easter Chicks

With Easter coming soon, you'll be seeing ads for Easter chicks. Aww...aren't they cute? However, the City considers chickens, even the cute little chicks, to be livestock and NOT pets. In most areas of the City, livestock including chickens are not allowed to be kept on the property.

Chickens, ducks, guinea hens, pigs, goats, and other agricultural animals are not permitted in most districts in the urban/suburban districts in Laconia. Agriculture and agricultural animals are permitted in the RR1 (Residential Rural), RR2 (Residential Rural Corridor) and AI (Airport Industrial) districts. In the CR (Commercial Resort) district, agriculture and the animals typically associated with agriculture are only allowed by Special Exception granted by the Zoning Board of Adjustment. If you're not sure what zoning district you live in, check your tax card on the City [website](#) or call the Planning office at (603) 524-1264 to find out.

A good idea is to keep your chick purchases to the pink marshmallow kind!

## Recycle Your Clothes at the Transfer Station!

Did you know that 85% of all clothing, shoes and textiles in New Hampshire goes to a landfill?

A clothes recycling container is now available at the Laconia Transfer Station in the area with the single stream recycling containers.

The organization accepting the material, Apparel Impact, works with clothing graders, and 85% of what they collect is reused. The other 15% of what they collect is in bad enough condition that it needs to be recycled for other purposes.

Apparel Impact also provides over 3,000 people in New Hampshire with free clothing through their community outreaches and partnerships with school districts and Easter Seals. All items do not need to be clean, but they do need to be dry and free from mold.

Items that can be recycled include:

Purses/Bags  
Ties, Scarfs and Hats.  
Sneakers  
Any type of dress shoes  
Sandals

Flip Flops  
Clothing  
Coats/jackets  
Sheets & towels

*Please help the City reduce its  
solid waste disposal costs by  
recycling your clothing not  
throwing it in the trash!*

Interested in learning more about incorporating herbs into new or existing gardens and/or containers? Come join the Opechee Garden Club, as Sarah Marcoux, presents a better understanding about the propagation and growing habits of available herbs, as well as some which are harder to find. An overview of environmental conditions necessary to grow herbs will also be addressed. The use of culinary herbs is included in the presentation.

Sarah Marcoux says that she and her husband Dan have encouraged their four children ages 14 to 21 “to give back to the community and cultivate a lifestyle of service to others.” Both are longtime, homeschooling parents. Sarah, and her then 18-year old son, Joseph, became Master Gardeners in fall 2016. They have been volunteering for the Free Seeds for Education program since late summer 2018. They helped collect and sort seeds, address envelopes, and package orders. The Free Seeds group sent out 515 orders of 10 seed packets each in 2021, working from home, due to the pandemic. In recent years, the mother-son team also built a pollinator garden at Southwick Elementary School in Northfield where the Marcoux's live, and have worked at local farmer's markets staffing an Ask A Master Gardener table.

The presentation will take place during Opechee Garden Club's monthly meeting on April 5, 2022 at 1PM. Meetings are held at the Gilford Community Church, Potter Hill Road, Gilford, NH. The public is invited to attend.

## THEN ...

Laconia's 'Busy Corner' store at 'Casino Square' is seen in 1934, with the Scott & Williams factory in the background. S&W had built the portion fronting on Union Avenue in 1916 and the portion fronting on Davis Place in 1929-1930. The landmark variety store was owned and operated by the Simoneau Family, later by Benoit Doucet and, still later, by Bill and Molly Holman for many years. Last operator was Bruce Pethic. Addition at back housed Boutin, later Huot, insurance and real estate offices; still later, Marine Corps recruiting. (Laconia Historical and Museum Society)

## ... AND NOW

The square was renamed Normandin Square in 1946, honoring the memory of Dr. Armand Normandin. The Union Avenue portion of the Scott & Williams plant was torn down in 2005, in conjunction with developing the remainder of the old factory building into the Normandin Square Apartments. The Busy Corner store building lasted until 2016, when it was razed. CVS Pharmacy, built in 2009, is off-photo at left. (Jon Decker/The Laconia Daily Sun)

## UNH Extension: brings a value greater than the sum of its parts

By Aaron Lichtenberg

UNH Extension Belknap County Advisory Council volunteer,  
Owner of Winnepesaukee Woods Farm & Busy Lizzie's Blooms

UNH Cooperative Extension has roots and branches that reach beyond our state borders, bringing valuable knowledge, resources, and information back to the taxpayers of our great State of New Hampshire. If you do not yet know about Extension, let me share just how valuable this organization is to our state and county.

I am a UNH Extension Belknap County Advisory Council volunteer, but also have been a vegetable and cut flower grower here in Belknap County for over a decade. And as y'all know, farmin' ain't easy!

Weather is challenging, pests are always close by and best practices for small-scale New England agriculture are always improving. Whether we're looking for better ways to control weeds, searching for better performing crops or need to quickly diagnose a problem we're having, Extension is there.

Here is where the collaborative power of Extension brings more value back to our state. You may not know it, but Extension collaborates with universities around the country, from the University of Maine to Oregon State, to conduct research and generate resources for citizens from all sectors of the economy.

It doesn't matter if you're a farmer, a private landowner looking to manage a woodlot or an educator looking to include STEM programming. Extension can help answer so many kinds of questions providing endless connections for everyone! Their specialists bring expertise in four program areas:

- Food and Agriculture
- Community and Economic Development
- Youth and Family
- Natural Resources

These four program areas have endless root systems bringing resources back to our communities. Here's a few quick stats showing just some of the many impacts Extension brought to Belknap County in 2021:

- Natural Resources helped manage 644 acres of forest, improving 62,525 feet of forestland roads and trails on private lands and helped the City of Laconia work on its natural resources inventory.
- Extension's Youth and Family programs reached 195 community members with healthy living and nutrition programs to help prevent chronic disease.

On Saturday, March 26th the Laconia Gilford Lions Club is joining with the Green Sanctuary Committee of the Unitarian Universalist Society of Laconia to collect clean SOFT plastics.

We ARE collecting plastic grocery bags, vegetable bags, bubble wrap, newspaper sleeves, bread bags, air packing bags, dry cleaning bags, wood pellet bags, ice bags, cereal box liners, and plastic films labeled with a #2 or #4 recycling symbol.

**\*\*We no longer accept pet food bags.\*\***

Each and every piece of CLEAN plastic is sent to Maine via the way-stop at Hannaford's in Gilford to be repurposed and made into composite decking and outdoor furniture. Please click on the following link from TREX to see what is and is not acceptable for collection: <https://recycle.trex.com/view/educate#materials1>

Our community is doing a great job in keeping these plastics from polluting the Earth. The February collection netted 237 pounds. Each time we hold the event the amount increases. This is due to the activity of the Interact Club at LHS, LHS students, plus the contributing efforts of the Taylor Community, both of which have set up plastics collection bins at their locations.

Our volunteers (masked) will be in front of the little white church at 127 Pleasant Street Laconia from 11 am until 1 pm on the 26th. Come one, come all!

## CONSUMER ALERT WARNING ABOUT MEDICARE CARD SCAM

There have been recent reports of scammers impersonating New Hampshire Division of Emergency Services and Communications ("DESC") employees in order to obtain sensitive personal information from New Hampshire residents.

NH residents reported receiving calls from the direct line of one of DESC's data control clerk's with a caller ID showing "NHEGCY." The caller asked the residents to verify their Medicare and Social Security numbers, telling the residents that the information was needed in order to issue a new Medicare card.

One resident was called 4 times over a few days. Each caller was different, although each spoke with a Russian or Eastern European accent and in each case chatter was audible in the background of the call. Each time, the phone number that appeared on the resident's caller ID was different, with the caller ID showing "NH Bureau of ECGY" on one of the calls. The callers asked for the resident each time by first name.

- ✦ You should not answer phone calls from numbers that you do not recognize;
- ✦ You should never give personal information over the phone; and
- ✦ You should confirm the legitimacy of any person claiming to be a representative of a state agency by contacting the particular state agency through its official contact email or phone number. A listing of every state agency and links to each agency's website and contact information can be found at <https://www.nh.gov/government/agencies.htm>.

*If you or a loved one has lost money or property as a result of a fishing scam, please call your local police department and the New Hampshire Consumer Protection Hotline at (603) 271-3641. In addition, anyone with knowledge that a vulnerable adult has been scammed or financially exploited should also contact the New Hampshire Bureau of Elderly and Adult Services, at 1-800-949-0470.*

CITY MANAGER'S  
OFFICE

The following updates have now been posted to the City's website to keep you up-to-date and informed on what's happening in your City!

Be sure to check out the [Project Updates](#) report which provides a concise update of projects in the community. In this report you will find everything from road projects to the latest information on the Master Plan update.

Next, check out the current version of the [Monthly Economic Development Report](#). This report contains information pertaining to Laconia's unemployment rate and wages, as well as business and economic development partnerships.

*We hope you find these reports helpful and informative!*

*Questions? Please call the City Manager's Office at (603) 527-1270.*

# Public Works Department

## *Mark your calendar!*

Free Dump Day for Laconia residents is scheduled for Saturday, May 7th.

(Businesses cannot dispose of their solid waste for free on that day.)

Public Works highly recommends businesses do not come to the Transfer Station on May 7th as it will be very busy.

Residents needing assistance with unloading will need to bring help with them. We expect a large turnout for this popular event, so be prepared to be patient as there is likely to be a longer wait time than normal.

To help minimize wait times, the City recommends that residents use the following schedule when coming to the Transfer Station on May 7th.

<u>Time</u>	<u>First letter of last name</u>
7 to 9 am	A through and including G
9 to 11 am	H through and including N
11 am to 1 pm	O through and including Z

Public Works will turn away any resident who arrives later than 1 pm, so please be sure to be at the Transfer Station before that time.

Residents who do not have dump stickers must have some form of documentation that shows they are a Laconia resident.

Items we will accept are appliances, water heaters, furniture, beds, plumbing fixtures, bagged leaves, demolition lumber, auto tires (limit 6 tires per customer). Items we will not accept are auto tail pipes, mufflers, radiators, engines, batteries or hazardous waste, paints or solvents.

### **Residents must still pay for disposing of electronics during free dump day.**

Disposal of leaves and recycling for Laconia residents is free all year. Residents do not need a dump sticker or day pass to dispose of leaves or recycling, but must have documentation that shows they are a Laconia resident.

For more information or for questions about what is acceptable and what is not, please call the Department of Public Works at (603) 528-6379.
