News from the Public Works Dept.

It's that time of the year when many residents and businesses have begun their plans to have their driveways and parking lots repaved. Driveway permits are issued by Public Works, located at 27 Bisson Avenue. Please keep in mind that obtaining your driveway permit is easier if you have everything the City needs to review your request when you come in.

Larger multi-family complexes (greater than duplex) and commercial property owners must start the permit process at the Planning Department in City Hall to determine if their plans meet City zoning regulations. Please bring a sketch or plans of the existing pavement (if any) and of the proposed pavement. The Planning Department will review the concept to ensure your plans meet the City's green space as well as setback and any other zoning regulations. After ensuring your proposal meets the City's zoning regulations, Planning will notify Public Works that they can issue your driveway permit.

Single family residential and duplex property owners can go directly to the Public Works office to obtain a permit. Please bring a sketch or plans of the existing pavement (if any) and of the proposed pavement. Public Works will review your pavement plan to determine if your plan meets the City's green space and driveway length zoning requirements. Public Works will also review your plan to determine if it conforms with the City's driveway policy. If your plan conforms to the City's driveway policy and meets greenspace and length requirements, Public Works will issue you a permit. If your plan does not meet either zoning regulations or the City's driveway policy, Public Works will explain the next steps that you must take to obtain a driveway permit.

The City's driveway policy is on the City's web site. Click [here](#) to obtain a copy.

Sunflowers for Peace

A group of Lakes Region artists that meet weekly to paint and share their artistry at the Gilford Public Library are painting sunflowers to raise funds to support Ukrainian refugees.

Elaine Morrison, a local well-known artist that supports local causes with her art, suggested each person paint or draw sunflowers, the Ukrainian national flower, to show their commitment to peace. The project is to be displayed throughout the library. The members of the group talked about what they could do to help from so far away and decided their art could become a fund raising opportunity, providing donations to World Central Kitchen [World Central Kitchen \(wck.org\)](http://wck.org).

With support from the Trustees and the Library Director a silent auction will be held from April 18th - 29th. A starting minimum donation will be requested for each piece of original art.

Please contact Alexis Jackson at 603-455-1488 or Elaine Morrison at 603-527-1974 for additional information.

Our yesterdays

Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....

THEN . . .

A parade heads up Elm Street in Lakeport in the late 1890s, with a horsecar of the street railway headed toward Laconia on Union Avenue. Park Street Church, built in 1890, is seen in background (Laconia Historical and Museum Society)

. . . AND NOW

About the only structure still there is the church. New construction is taking place on the site of the old buildings on Elm Street. Lakeport Landing Marina's building was completed in 2019. The horsecars were replaced, in 1898, by electric trolley cars which ran until 1925. (Jon Decker/The Laconia Daily Sun)

Public Works Department

Mark your calendar!

Free Dump Day for Laconia residents is scheduled for Saturday, May 7th.

(Businesses cannot dispose of their solid waste for free on that day.)

Public Works highly recommends businesses do not come to the Transfer Station on May 7th as it will be very busy.

Residents needing assistance with unloading will need to bring help with them. We expect a large turnout for this popular event, so be prepared to be patient as there is likely to be a longer wait time than normal.

To help minimize wait times, the City recommends that residents use the following schedule when coming to the Transfer Station on May 7th.

<u>Time</u>	<u>First letter of last name</u>
7 to 9 am	A through and including G
9 to 11 am	H through and including N
11 am to 1 pm	O through and including Z

Public Works will turn away any resident who arrives later than 1 pm, so please be sure to be at the Transfer Station before that time.

Residents who do not have dump stickers must have some form of documentation that shows they are a Laconia resident.

Items we will accept are appliances, water heaters, furniture, beds, plumbing fixtures, bagged leaves, demolition lumber, auto tires (limit 6 tires per customer). Items we will not accept are auto tail pipes, mufflers, radiators, engines, batteries or hazardous waste, paints or solvents.

Residents must still pay for disposing of electronics during free dump day.

Disposal of leaves and recycling for Laconia residents is free all year. Residents do not need a dump sticker or day pass to dispose of leaves or recycling, but must have documentation that shows they are a Laconia resident.

For more information or for questions about what is acceptable and what is not, please call the Department of Public Works at (603) 528-6379.
