Powerhouse is looking for kids and adults ages 6+ to fill out the cast. This musical production will be performed August 12-14 at the Colonial Theatre in Laconia. Auditions are being held at the Belknap Mill on Sunday, May 15 and at the Colonial on Monday, May 16. Rehearsals will start in June and generally be Sundays, Mondays and Wednesdays. # SOFT PLASTICS

On Saturday, April 30th the Laconia Gilford Lions Club is once again joining with the Green Sanctuary Committee of the Unitarian Universalist Society of Laconia, to collect CLEAN SOFT plastics.

Due to the AWESOME response from all of you in our greater Laconia community, our collection amounted to 317 pounds of plastic last month.

Each and every one of you who stopped by is to be thanked. Special mention is to be given to our area retirement communities and LHS's Interact Club as well as St. Vincent De Paul, each of which collected and brought over substantial amounts of plastic items to be recycled..

We ARE collecting plastic grocery bags, vegetable bags, bubble wrap, newspaper sleeves, bread bags, air packing bags, dry cleaning bags, wood pellet bags, ice bags, cereal box liners, and plastic films labeled with a #2 or #4 recycling symbol.

**\*\*We no longer accept pet food bags.\*\***

<https://recycle.trex.com/view/educate#materials1> - This TREX website includes the specific accepted plastics we can take. What we collect is sent to TREX in Maine via the way stop at Hannaford's in Gilford to be repurposed and made into composite decking and outdoor furniture. The March collection was 80 pounds more than what you contributed in February!

EARTH DAY is April 22nd. Think about setting up a neighborhood collection box this week. We all want our Earth to smile. Our volunteers (masked) will be in front of the little white church at 127 Pleasant Street in Laconia from 11 am until 1 pm on April 30th.

The theme for this year's International Earth Day is  
**#InvestInOurPlanet**

This is a job for everyone. People, businesses, and governments of all sizes play a role in the health of our Earth. Your voice is powerful and combining it with actions can unite a community and create lasting change!

There are plenty of ways to get involved on Earth Day! If you're having trouble thinking of ways to participate, check out this list of ["52 Ways to Invest in Our Planet"](#)

This Earth Day, the Laconia Conservation Commission is working with students and teachers at the Middle School to restore local gardens in the Opechee Area!

# News from the Public Works Dept.

## What you need to know about driveway permits...

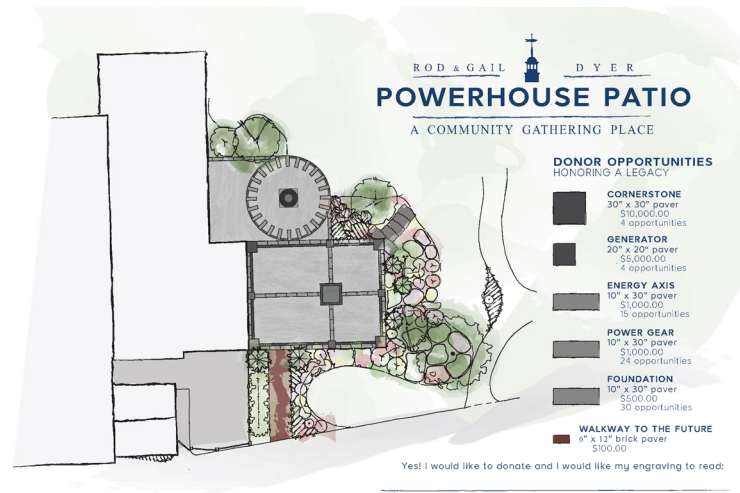

It's that time of the year when many residents and businesses have begun their plans to have their driveways and parking lots repaved. Driveway permits are issued by Public Works, located at 27 Bisson Avenue. Please keep in mind that obtaining your driveway permit is easier if you have everything the City needs to review your request when you come in.

**Larger multi-family complexes (greater than duplex) and commercial property owners** must start the permit process at the Planning Department in City Hall to determine if their plans meet City zoning regulations. Please bring a sketch or plans of the existing pavement (if any) and of the proposed pavement. The Planning Department will review the concept to ensure your plans meet the City's green space as well as setback and any other zoning regulations. After ensuring your proposal meets the City's zoning regulations, Planning will notify Public Works that they can issue your driveway permit.

**Single family residential and duplex property owners** can go directly to the Public Works office to obtain a permit. Please bring a sketch or plans of the existing pavement (if any) and of the proposed pavement. Public Works will review your pavement plan to determine if your plan meets the City's green space and driveway length zoning requirements. Public Works will also review your plan to determine if it conforms with the City's driveway policy. If your plan conforms to the City's driveway policy and meets greenspace and length requirements, Public Works will issue you a permit. If your plan does not meet either zoning regulations or the City's driveway policy, Public Works will explain the next steps that you must take to obtain a driveway permit.

The City's driveway policy is on the City's web site. Click [here](#) to obtain a copy.

Questions?  
Please call the Department of Public Works at

# Sunflowers for Peace

A group of Lakes Region artists that meet weekly to paint and share their artistry at the Gilford Public Library are painting sunflowers to raise funds to support Ukrainian refugees.

Elaine Morrison, a local well-known artist that supports local causes with her art, suggested each person paint or draw sunflowers, the Ukrainian national flower, to show their commitment to peace. The project is to be displayed throughout the library. The members of the group talked about what they could do to help from so far away and decided their art could become a fund raising opportunity, providing donations to World Central Kitchen [World Central Kitchen \(wck.org\)](http://WorldCentralKitchen(wck.org)).

With support from the Trustees and the Library Director a silent auction will be held from April 18th - 29th. A starting minimum donation will be requested for each piece of original art.

Please contact Alexis Jackson at 603-455-1488 or Elaine Morrison at 603-527-1974 for additional information.

## *Mark your calendar!*

Free Dump Day for Laconia residents is scheduled for Saturday, May 7th.

(Businesses cannot dispose of their solid waste for free on that day.)

Public Works highly recommends businesses do not come to the Transfer Station on May 7th as it will be very busy.

Residents needing assistance with unloading will need to bring help with them. We expect a large turnout for this popular event, so be prepared to be patient as there is likely to be a longer wait time than normal.

To help minimize wait times, the City recommends that residents use the following schedule when coming to the Transfer Station on May 7th.

<u>Time</u>	<u>First letter of last name</u>
7 to 9 am	A through and including G
9 to 11 am	H through and including N
11 am to 1 pm	O through and including Z

Public Works will turn away any resident who arrives later than 1 pm, so please be sure to be at the Transfer Station before that time.

Residents who do not have dump stickers must have some form of documentation that shows they are a Laconia resident.

Items we will accept are appliances, water heaters, furniture, beds, plumbing fixtures, bagged leaves, demolition lumber, auto tires (limit 6 tires per customer). Items we will not accept are auto tail pipes, mufflers, radiators, engines, batteries or hazardous waste, paints or solvents.

### **Residents must still pay for disposing of electronics during free dump day.**

Disposal of leaves and recycling for Laconia residents is free all year. Residents do not need a dump sticker or day pass to dispose of leaves or recycling, but must have documentation that shows they are a Laconia resident.

For more information or for questions about what is acceptable and what is not, please call the Department of Public Works at (603) 528-6379.
