The Opechee Garden Club is pleased to invite the public to hear Janice Mislter and Jeff Price, of Pedal Pushers, present information on extending the vegetable garden season on May 2, 2022 at 1PM.

Jeff will start with a short presentation on early pollinators. These are the first bees out of the hives each year. They are the ones that care for our gardens prior to the honey bees. Janice will provide information that will allow us to extend our vegetable season from March to December! Techniques that will be covered include rotation and row covers. Janice's background includes working with Small and Beginner Farmers of NH. This organization helps new and small farmers learn to raise and grow their own food and create a healthier lifestyle. In addition, Janice and her husband own Twilling Gate Farm in Gilmanston, NH. They follow organic practices and raise 90% of their own food.

The presentation will take place during Opechee Garden Club's monthly meeting on May 2, 2022 at 1PM. Meetings are held at the Gilford Community Church, Potter Hill Road, Gilford, NH. The public is invited to attend.

SOFT PLASTICS

On Saturday, April 30th the Laconia Gilford Lions Club is once again joining with the Green Sanctuary Committee of the Unitarian Universalist Society of Laconia, to collect CLEAN SOFT plastics.

Due to the AWESOME response from all of you in our greater Laconia community, our collection amounted to 317 pounds of plastic last month. Each and every one of you who stopped by is to be thanked. Special mention is to be given to our area retirement communities and LHS's Interact Club as well as St. Vincent De Paul, each of which collected and brought over substantial amounts of plastic items to be recycled..

We ARE collecting plastic grocery bags, vegetable bags, bubble wrap, newspaper sleeves, bread bags, air packing bags, dry cleaning bags, wood pellet bags, ice bags, cereal box liners, and plastic films labeled with a #2 or #4 recycling symbol.

****We no longer accept pet food bags.****

<https://recycle.trex.com/view/educate#materials1> - This TREX website includes the specific accepted plastics we can take. What we collect is sent to TREX in Maine via the way stop at Hannaford's in Gilford to be repurposed and made into composite decking and outdoor furniture. The March collection was 80 pounds more than what you contributed in February!

EARTH DAY is today! Think about setting up a neighborhood collection box this week. We all want our Earth to smile. Our volunteers (masked) will be in front of the little white church at 127 Pleasant Street in Laconia from 11 am until 1 pm on April 30th.

Our yesterdays

Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....

THEN ...

The Dr. Alpha Haven Harriman, M.D., House at 778 North Main St., Laconia, is seen in 1914. Houses on Dartmouth Street are glimpsed in distance and Oak Street is off-photo at right. (Laconia Historical and Museum Society)

... AND NOW

The house at 778 North Main St. was torn down by 1980 (after the death of Mrs. Harriman in 1972), to make way for construction, in 1980, of the brick building, at right, for Contractors Bonnette, Page & Stone (later occupied by Central NH VNA and Hospice). Back in the late 1950s, the Telephone Co. had built the brick structure at left (dedicated, Sept. 3, 1958) to house the equipment when the city 'went dial' in 1959. (Jon Decker/The Laconia Daily Sun)

Public Works Department

Mark your calendar!

Free Dump Day for Laconia residents is scheduled for Saturday, May 7th.

(Businesses cannot dispose of their solid waste for free on that day.)

Public Works highly recommends businesses do not come to the Transfer Station on May 7th as it will be very busy.

Residents needing assistance with unloading will need to bring help with them. We expect a large turnout for this popular event, so be prepared to be patient as there is likely to be a longer wait time than normal.

To help minimize wait times, the City recommends that residents use the following schedule when coming to the Transfer Station on May 7th.

<u>Time</u>	<u>First letter of last name</u>
7 to 9 am	A through and including G
9 to 11 am	H through and including N
11 am to 1 pm	O through and including Z

Public Works will turn away any resident who arrives later than 1 pm, so please be sure to be at the Transfer Station before that time.

Residents who do not have dump stickers must have some form of documentation that shows they are a Laconia resident.

Items we will accept are appliances, water heaters, furniture, beds, plumbing fixtures, bagged leaves, demolition lumber, auto tires (limit 6 tires per customer). Items we will not accept are auto tail pipes, mufflers, radiators, engines, batteries or hazardous waste, paints or solvents.

Residents must still pay for disposing of electronics during free dump day.

Disposal of leaves and recycling for Laconia residents is free all year. Residents do not need a dump sticker or day pass to dispose of leaves or recycling, but must have documentation that shows they are a Laconia resident.

For more information or for questions about what is acceptable and what is not, please call the Department of Public Works at (603) 528-6379.
