walk after November 1<sup>st</sup>. This allows Public Works' crews to plow and treat the sidewalks during the winter. Next spring if you desire to again place these items on the City sidewalks, you will need to submit new sidewalk encumbrance permits.

*The conversion from manual to automated solid waste collection in the Downtown is scheduled to occur on April 1<sup>st</sup>, 2023. There are many changes associated with the conversion. To help prepare you for the conversion, on November 2 at 7:00 pm in City Council Chambers (Laconia City Hall) Public Works will be hosting a public information meeting on the conversion plan for businesses and apartments in the City's downtown area. Attending the meeting will help you and the City prepare for the conversion. We hope you can join us!*

## REMINDER

Please note that all signs, chairs, tables and other items that you may have on the City's sidewalks in the downtown area are no longer allowed to be on the side-

### How Can I Help???

We need donations! If you have new or **very gently used** items around your house (we tend to struggle in particular with gifts for men and teens), please drop them off at our office as soon as possible. PLEASE be thoughtful of the quality of the items you are donating. And please note that we tend to shy away from stuffed animals (unless they are brand new) and clothing (unless it is a one-size-fits-all accessory like socks, gloves, hats, etc. (which should also be brand new). For employees, donations can be brought to Room 119 (the Parent Ed Room), for all others, you can leave donations with the receptionist and just let her know that they are for Family Fun Night. She will make sure that they get to us!

\*\*Donations must be received no later than November 30, 2022\*\*

# Our yesterdays

*Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....*

## THEN ...

**The so-called Folsom-Batchelder House at McGrath Square, Lakeport, is seen around 1917. Portions of the structure dated to the time of Abraham Folsom, first settler of 'Folsom's Mills,' as Lakeport was originally called, in the 1760s. Nathan Batchelder acquired the house around 1825. In later years, it was the home of Harold Tefft, heavy equipment operator and city councilman. The imposing gables were a late Victorian addition. (Lakeport's Ancient Homes, 1917)**

## ... AND NOW

**The house having recently been razed, only the massive foundations remain at 171 Gold St. The nearby McGrath Square (earlier Franklin Square) was renamed in 1922 for Earl O. McGrath, first Laconia soldier killed in action during World War I. (Jon Decker/The Laconia Daily Sun)**

On April 1, 2023 the City will convert from manual to automated curbside collection. If you want to learn more about the process to include the cart options and the distribution plan, please attend one of the meetings shown below. Although you are welcome to attend any meeting, the focus of each meeting is targeted to a specific City audience.

Public Works is working on creating a website dedicated to the conversion that will be located on the City's website: (<https://www.laconianh.gov/>). The website will be available by November 1<sup>st</sup> and will be updated continuously during the conversion process. Please direct questions to our Public Works Department at 603-528-6379.
