Conversion to Automated Trash Collection: Multi-family Apartments and Condominiums

Apartments and condominiums that currently receive curbside trash collection that are 4 units or less will receive one 64-gallon trash container and one 96-gallon recycling container per unit. Apartments and condominiums that currently receive curbside trash collection and that have over 4 units will receive four 64-gallon trash containers and four 96-gallon recycling containers. Four 64-gallon trash containers exceed the capacity of the seven 30-gallon containers that are currently allowed under City Ordinances. All recycling, including cardboard boxes, must fit in the 96-gallon recycling containers. Landlords and condominium associations are responsible for allocating space in the solid waste containers to their tenants and property owners.

Also...**Those apartments and Condominiums on private roads that do not receive curbside trash collection** and currently bring their solid waste to a public (City or State) right of way will not automatically receive the City's curbside collection containers. These include property owners on Hadley Road, Janna Way, Story Tyler Shore Road, Leighton Ave South, Haven Ave, Pendleton Beach Road, Boathouse Road, etc. On these roads Public Works does not know which property owners are bringing their containers to the public right of way. Property owners on private roads that bring their solid waste to the public street must request their containers. Property owners in this situation can request their containers by going to the City's web site at: <https://www.laconianh.gov/1188/Trash-Collection-Update>. Look for the following at the bottom of the page and fill out the form: RECYCLING AND TRASH CONTAINER ORDER FORM. Place an order for containers for use with the new (2023) automated trash collection system.

Conversion to Automated Trash Collection: Single Family Homes

Single family homes that receive curbside service will automatically receive one 64-gallon trash container and one 96-gallon recycling container after March 15, 2023, in preparation for the start of automated trash collection on April 1, 2023. One 64-gallon trash container exceeds the capacity of two 30-gallon containers that are presently allowed by City Ordinance. All recycling, including cardboard boxes, must fit in the 96-gal. container.

Also...**If everyone in a household is over 65 years old or is handicapped**, then the property owner can request a 64-gallon recycling container in lieu of the 96-gallon container and one 32-gallon trash container in lieu of the 64-gallon container.

Those property owners that live on private roads that do not receive curbside trash collection and bring their solid waste to a public (City or State) right of way will not automatically receive the City's curbside collection containers. These include property owners on Hadley Road, Janna Way, Story Tyler Shore Road, Leighton Ave South, Haven Ave, Pendleton Beach Road, Boathouse Road, etc. On these roads Public Works does not know which property owners are bringing their containers to the public right of way. Property owners on private roads that bring their solid waste to the public street must request their containers.

Property owners in these two situations can request their carts by going to the City's web site at: <https://www.laconianh.gov/1188/Trash-Collection-Update>. Look for the following at the bottom of the page and fill out the form: RECYCLING AND TRASH CONTAINER ORDER FORM. Place an order for containers for use with the new (2023) automated trash collection system.

Please call Public Works at 603-528-6379 with any questions you may have.

ATTENTION SNOWMOBILERS!

Snowmobiles in the Boardwalk area of Weirs Beach must be on the State Snowmobile Trail. Please do not ride on the sidewalks on Lakeside Avenue!

The City used to move the State snowmobile trail onto Lakeside Avenue to protect the Boardwalk. With the recent project to improve Lakeside Avenue, the snowmobile trail is back on the tracks. The City wants all snowmobilers to remain on the State trail through the Boardwalk area to protect the improvements that we have made to the area. The City of Laconia has not authorized snowmobiles to operate on any of its sidewalks or roads.

Please do not use the sidewalk to travel to Cumberland Farms from the trail. The City is clearing the sidewalks of snow so that the residents in the area have place to walk in the winter.

Under State law it is unlawful to:

- Operate on any road or within the right-of-way except where authorized and posted.
- Operate on town roads or sidewalks unless posted for OHRVs or snowmobiles.
- Operate on or across any highway bridge unless posted as open for OHRVs or snowmobiles.

The authorized snowmobile trails in Belknap County are:

Railroad tracks corridor 15 north to Meredith
Railroad tracks corridor 15 south and 9 south to Belmont
Sled Dog Loop
Prison Loop
South Down Shores Loop
Corridor 15N Saltmarsh Pond to Pausus Bay via HK Power Sports & Cactus Jacks/T-Bones
Corridor 15S Saltmarsh Pond to Gilmanton
Trail to Airport Deli, Kitchen Cravings, Patrick's Pub, and Gilford Beach
Belmont connector 304
Belknap Mountain Trail

Information on these trails is available from the local snowmobile club, the [Belknap Snowmobilers, Inc.](#)

We have a new name, but our dedication to free cancer support will never change.

Our new website is www.LRCSupportTeam.org. We are opening our program for people who have cancer (or are close to someone who is) on Jan. 17th.

Coffee and Conversation

Tuesdays 9:00-9:50 am January 17-February 21

Come to our office for an informal conversation over coffee. A great way to begin your day!

Writing as Healing

Tuesdays 10-12 am January 17-February 21

Writing as Healing is a six-session workshop held at the LRCST office. The workshop will use writing as a tool to explore and express the complex feelings that many people with cancer experience.

In each session participants will reflect on the topic of the day, generating ideas for their drafts during the workshop and completing their one-page piece at home. Every week, all participants will share their work, and we will discuss each participant's piece.

Please note: In this workshop we will not critique writing mechanics or style (no red pens!); the focus is to create a forum for expression and discussion.

Registration is required. To register, call us or email panderson@LRCSupportTeam.org.

Our yesterdays

Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....

THEN ...

Lower Court Street, Laconia, is seen in the 1950s. Temple B'Nai Israel (left) was built in 1937. Bay Street is just off-photo at right. The small store at right is LaPlante's Market. Elm trees still line the street and traffic is sparse. (Laconia Historical and Museum Society)

... AND NOW

Temple B'Nai Israel is still there, at left, with an addition in 1955 for the Max Chertok Community Center. Just beyond the synagogue and Kentfield Court, today's Platinum Salon & Spa at 222 Court St. occupies space once home to Hi-Fi Furniture Co., which burned, March 9, 1991. Earlier occupants of the property had been Harry Howland's Utility Gas and Appliances and Tri County Services. The LaPlante Market is now Jack the Clipper barber shop. Harold T. 'Pappy' Whittum's Mobil station, which opened Aug. 15, 1955, just beyond, has been Stafford Oil (Citgo sign visible in distance) since 1965. (Jon Decker/The Laconia Daily Sun)

2023 SEASON POWERHOUSE THEATRE COLLABORATIVE

A PROGRAM OF THE BELKNAP MILL

Tickets are on sale now for Powerhouse Theatre Collaborative's Romeo & Juliet February 10-12 at the Colonial Theatre, sponsored by Franklin Savings Bank. This classic will feature Powerhouse's first stage fighting and the expertise of professional fight choreographer Jenry Towle. Says Towle, "What I love most about teaching stage combat is offering performers tools to show emotion and character where words and normal physical action aren't able to. When a character resorts to physical harm, or the use of weapons, it can give a very nuanced insight into their true intentions and thoughts. The cast of R&J quite literally leapt into training, and have already created a support network for each other to keep everyone safe - while getting to do some really cool swordplay!"

A staged reading of the sequel Montague and Capulet, written by Jaydie Halperin, will be performed at the Belknep Mill on February 18 -19 with the same actors from Romeo and Juliet. Whereas Romeo and Juliet ends in tragedy, Montague and Capulet give hope for a better future.

The performance is sponsored by Irwin Automotive Group. Tickets for this production can be purchased via powerhousenh.org or at the door.

LACONIA WATER DEPARTMENT METER MAINTENANCE PROGRAM

Meters are changed periodically to comply with the Public Utilities Commission's Rules and Regulations, the American Water Works Association and in accordance with the Laconia Water Works' Tariff. The Water Department has an annual program that replaces meters and **there is no cost to the property owner**. Our goal is to change out these meters over the winter months.

The Water Department will contact those property owners whose water meters are due to be changed. We are in the process of sending letters and making phone calls to schedule appointments. This process takes approximately 20-30 minutes.

Thank you for your cooperation. If you have any questions, please do not hesitate to contact us at (603) 524-0901.
