

## Automated Curbside Solid Waste Collection is Coming May 1, 2023!

### NEW UPDATE

*What colors and marking will the new automated containers have on them so that you know which is for trash and which is for recyclables?*

The colors of the new recycling containers match the color of the green recycling container the City

sold approximately 10 years ago. This allows those property owners who have those cans to continue to use them instead of receiving a new recycling container. Using the same colors for the old and new style recycling container ensures the collection contractor's operator is not confused. The manufacturer will also stamp the lid with the recyclable symbol and the words "Recyclables Only".

The trash container will have a bright yellow top so that the operator knows that the container is a trash container. The lid is stamped with the words "Trash Only".

Property owners with similar containers will not be able to use them to help ensure the contractor is only servicing the quantity of containers allowed per property under the City's Ordinance.

## Opechee Garden Club Announces Horticulturist Martina Howe

Opechee Garden Club is pleased to announce that Horticulturist Martina Howe will provide information on container gardening on April 3, 2023 at 1PM. The presentation will take place at the Gilford Community Church, Potter Hill Road, Gilford, NH. The public is invited to attend free of charge.

Have you ever wondered what to plant? What type of container and soil to use? How to keep the plants happy all summer? Join us as Martina guides us through the process of container gardening. Martina will bring examples of various planting mediums, containers and plants. She will explain how the various combinations, combined with the environment they are in, will impact watering and maintenance. She is happy to answer any questions you may have including what's new and different and how to create the container you desire.

Martina and her husband Andy owned Beans and Greens for thirty-three (33) years. They sold the retail portion of the business two (2) years ago. They continue to raise the vegetables, which are sold wholesale to various businesses including Beans and Greens. It is there that you will find Martina in the greenhouses and her flower garden.

## Backflow Testing

### LACONIA WATER WORKS BACKFLOW TESTING RATE CHANGE

This increase is necessary as the cost of our operation and maintenance of the department has been steadily rising.

# Our yesterdays

*Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....*

THEN ...

The A.J. Lessard & Sons Inc. Tydol-Veedol service station at the intersection of Union Avenue and Stark Street, Lakeport, is seen in the early 1960s. Arthur Lessard had begun, at 1027 Union Ave., in the 1940s with a small wooden grocery store called Twin Gables. By the early 1950s, the structure had been greatly expanded and, by 1963, replaced by the modern station. Founder Lessard died in 1954 and the company was known in its later years as A. Lessard & Sons. (Laconia Historical and Museum Society)

... AND NOW

The Lessard station continued in business through 1978, the building later being occupied by Auto East Inc. until the early 1980s. The structure was demolished in 1982. O'Reilly Auto Parts and VIP Tires & Service, 1033 Union Ave., built on the site in 1998. Red house at left, 1047 Union Ave., was built by James Irwin Sr. and, for a time in later years, was the bed and breakfast called the Tin Whistle Inn. In both photos, Stark Street is off-photo at right. (Jon Decker/The Laconia Daily Sun)

## LACONIA HISTORICAL & MUSEUM SOCIETY

The Laconia Historical & Museum Society has undertaken an important project focusing on Laconia's Veteran history. This project is separate and different from the project LHMS is supporting at Laconia High School.

LHMS is seeking any information and/or photos of the structures and members of the various Veterans organizations in the City of Laconia, including Lakeport and the Weirs. These organizations include; the American Legion Post 1, the Veterans of Foreign Wars Post 1670, the John Perley G.A.R Post in Laconia and the Darius A. Drake D.A.R Post in Lakeport and The New Hampshire Veterans Association.

We are also interested in any information from the Army and Navy Club, which was located in the Laconia Gas and Electric Block during the early 1900's, The Mary Butler Chapter of the D.A.R. and the Woman's Relief Corps.

Any original material, such as photos or handwritten documents will be digitally archived into the LHMS permanent collection under the individual or family name and the original items will be returned. However, LHMS will accept donations of original items into the permanent collection should an individual or family choose to do so. This information is being collected for an informative presentation to be held in May 2023.

As well, an exhibit focusing on the personal stories of Laconia's veterans will be created for display in November. LHMS is collecting photographs and written information on veterans themselves – these could be newspaper articles or notices, handwritten letters, journal or diary entries or family memories. There is no limit to when or how long the veteran served or whether the veteran is alive or deceased. The information can be shared with LHMS by friends, family members, or fellow service men or women. As this is an exhibit of Laconia veterans, we do ask that the veteran has lived in Laconia at some point in their lives or lives in the City currently.

If you have information or know of someone who may have information regarding these associations, or if you or someone you know is a veteran and would like to share their story, please contact LHMS by email at [lhmslpl@metrocast.net](mailto:lhmslpl@metrocast.net) with the subject line – Laconia's Veterans.

Laconia Historical & Museum Society looks forward to sharing this part of Laconia's history with you!!
