In 1992 the U.S. Congress proclaimed Customer Service Week a nationally recognized event, celebrated annually during the first full week in October. This is an opportunity for organizations, such as the City of Laconia, to recognize the importance of providing excellent customer service to each and every resident or visitor we serve.

The goal of all departments in the City is to provide friendly, efficient, courteous and knowledgeable assistance to the public. To that end, we have developed a [Customer Service Survey](#). We would appreciate your help in filling out the survey if you have had contact with one of our City departments or employees to let us know what we are doing right, or what may need improvement.

The survey is provided on our website [here](#) or printed versions can be requested from any of our City departments. Your feedback is appreciated to help us better serve you! If you have questions, please contact the City Manager's Office at (603) 527-1270, or email [NBrown@laconianh.gov](mailto:NBrown@laconianh.gov).

*Thank you for your assistance!*

## *Welcome to Laconia Links!*

We hope you enjoy this issue of our weekly e-mail newsletter created to keep you up to date on City of Laconia news and activities. If you would like the newsletter sent to your email each Friday, or if you have changes to your email subscription, please call the City Manager's office at (603) 527-1270 or email us at [info@laconianh.gov](mailto:info@laconianh.gov).

## Fall Leaf Collection

Mark your calendars! This year's Fall Leaf Collection is scheduled for the weeks of October 30 - November 3, 2023 and November 13 - November 17, 2023. During each of the above weeks, the City's contractor will pick up an additional 10 bags of leaves on your normal trash day. All leaves must be in paper compost bags.

Please note that the leaf collection will be done by a separate truck, not the normal trash collection truck.

Questions? Please call the Department of Public Works at (603) 528-6379.

NEA Big Read is a program of the National Endowment for the Arts in partnership with Arts Midwest, and is meant to broaden our understanding of our world, our communities, and ourselves through the power of a shared reading experience. As part of the Big Read, a scholar-led book discussion, facilitated by Mohamed Defaa, will be held at the Laconia Library on Wednesday, October 11 at 6:00 pm to discuss Andrew Krivak's "The Bear". Set in a post-apocalyptic future, The Bear is a story of the last two people on earth—a father and daughter. # LACONIA PUBLIC LIBRARY

**Tarot 101: Beyond Fortune-Telling**  
Thursday, October 12  
5:30-7:30pm  
Adults

This lecture-style program is for anyone who wants to learn more about tarot cards, using the Smith-Rider-Waite deck as a guide. The presentation will cover basic tarot theory, giving an overview of a 78-card tarot deck. We'll approach the tarot holistically, as a symbolic and archetypal language. Attendees are encouraged to bring a notebook and pen, and a favorite tarot deck (it's okay if you don't have one). This program isn't about "fortune-telling," psychic predictions, or pinning down "what the cards mean." This program will not include personalized readings or card interpretations from Kate, instead, it is about empowering you to explore new avenues of self-reflection!

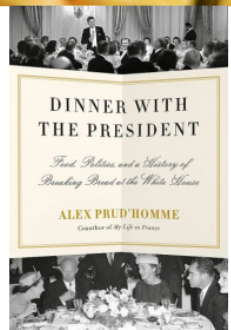

Kate Sheridan, a.k.a. The Laundress, is a tarot reader and astrologer who believes that fortunes are created rather than told. Her approach is therapeutic rather than predictive, and her work is deeply informed by Jungian psychology.

**Held in the Library's auditorium, sign-up is not required.**

**Book Discussion with Alex Prud'homme, Author of "Dinner With The President"**  
Saturday, October 14  
7pm  
Lakeport Opera House  
Adults

Join the Laconia Public Library, the Putnam Fund, and the Laconia Daily Sun at the Lakeport Opera House for a Book discussion with Alex Prud'homme, author of "Dinner with the President." The discussion includes a lecture with a PowerPoint presentation and Q&A session, followed by a cocktail reception/discussion in the bar area with a cash bar and dessert. Alex is a freelance writer whose work has appeared in The New York Times, The New Yorker, and other publications. He is the co-author of Julia Child's memoir, "My Life in France", and has authored or co-authored "The French Chef in America", "France is a Feast", "Born Hungry", "The Ripple Effect", "Hydrofracking", "The Cell Game", and "Forewarned". He lives with his family in Brooklyn, New York. "Dinner with the President" is described as a wonderfully entertaining, often surprising history of presidential taste, from the grim meals eaten by Washington and his starving troops at Valley Forge to Trump's fast-food burgers and Biden's ice cream—what they ate, why they ate it, and what it tells us about the state of the nation.

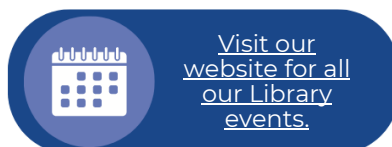

**Hosted by the Laconia Daily Sun, co-sponsored by Laconia Public Library and the Putnam Fund.**

**Admission is free to the public. Tickets will be issued in advance and standbys will be allowed in as space allows on the evening of the event.**

HAPPY BIRTHDAY TO: Bruce & Valerie

# "In Laconia Schools..."

Good Day, Laconia School District Community.

October 6, 2023

I hope you are having a fantastic fall! We are off to a great start to the 2023-24 school year. Here are a few exciting updates from our schools.

## LHS Homecoming

LHS Homecoming Week has been filled with class competitions as well as spirit days. Homecoming is also the kickoff to the Centennial Celebration of the LHS building on the Union Avenue campus. Principal Lisa Hinds has engaged her staff and the Laconia Historical and Museum Society in planning a variety of events and exhibitions to celebrate the rich history of our high school. **The Homecoming Parade begins today at 4:30.** This parade is a part of a rich Homecoming history and tradition that has drawn our community together for years. **There will be an Alumni Reception at LHS at approximately 5:15 that will include tours and a History of LHS Exhibit, followed by a variety of athletic competitions on Friday and Saturday.**

## LHS Scoreboard Donation by the McCabe Family

The family of Coach Dave McCabe has generously donated funds to install a new scoreboard on the Jim Fitzgerald Field at the Bank of New Hampshire Stadium. Mr. McCabe was a teacher, coach, counselor, and trainer at LHS for three (3) decades. He was also the husband of Dr. Kathy McCabe, who has also served the district for years, is the father of Brian McCabe (LHS Class of 1986), and father-in-law to Brian's wife Loren. **There will be a dedication ceremony of this beautiful scoreboard before the football game tonight at 6:45 pm that includes the McCabe family and several of Coach McCabe's colleagues and friends.**

## LHS ESSER Project

The LHS ESSER Project has been in the planning and preparation process for over a year. Next week, we will break ground with a dig in front of the school to install a new grease trap for our kitchen. The LHS Administration has a plan that will change the traffic flow for dropping off and picking up students. This project includes renovating the kitchen where food is prepared for school meals, adding ventilation, and privatizing the bathrooms.

## Literacy

Based on the recommendations of a district Literacy Task Force last year, we have taken some important steps to improve the teaching and learning of literacy this year. Students are taking iReady assessments in both reading and math at elementary, middle, and high to measure their growth in these content areas. The data from these assessments allows teachers to target instruction to support student growth. Also, our elementary schools have launched Foundations and Wit and Wisdom. These reading programs will help our students build foundational reading and writing skills and develop content knowledge in subject areas such as Art, Social Studies, Literature, and Science with books that are engaging our elementary students.

## Strategic Planning

The Laconia School Board discussed a draft of strategic planning goals for the School District last Tuesday. These goals were developed from feedback in a community forum last November. The work on these goals was done by goal area task forces, a community focus group, the Board's Strategic Planning Committee, and our staff. Thank you to all of the people who have helped us create this plan. The Board will consider a final draft of a Strategic Plan later this fall.

Thank you for your support of our students and our schools.

Sincerely,

Steve Tucker, Superintendent  
Laconia School District

*"The mission of the Laconia School District is to ensure success with every student, every day, in every way"*  
**Vision Statement: Learning transfers to life beyond the Laconia School District experience so students have the confidence to lead, to follow, and to grow to be responsible citizens who own their future.**

MEDICARE RIGHTS SHIP SMP

Protecting Yourself from Marketing Violations

During Medicare's Open Enrollment Period (OEP), you will likely experience more marketing from private Medicare plans, like Medicare Advantage Plans and Part D plans. Companies try to reach consumers in various ways, like television commercials, radio ads, events, mailings, phone calls, and texts. The government has rules, though, to protect you from aggressive or misleading marketing. Knowing the rules can help you make the best choices for yourself during OEP.

Watch out for people who:

- Ask for your Medicare number, Social Security number, or bank information, especially before you decide to enroll. Someone can use this information to enroll you in a plan without your permission.
- Say they represent Medicare. Plans are never allowed to state they represent or are endorsed by Medicare or any other government agency. They cannot use the Medicare name or logo on their marketing materials in a way that implies this.
- Send you unsolicited text messages or phone calls.
- Pressure you to enroll in their plan. You can use the entire Open Enrollment Period to make your decisions. You will not receive extra benefits for signing up early.

ROD & GAIL DYER

**POWERHOUSE PATIO**

[Patio Details Here](#)

Dear Friend of the Mill,

The Belknap Mill's Rod & Gail Dyer Powerhouse Patio has recently been completed. The Patio connects our Mill to Rotary Park, provides a new community gathering place, and is a tribute to the contribution of one man and his family. Rod Dyer has practiced law with the Wescott Law firm since 1964 and was Mayor of Laconia from 1968-1974. The Dyer family has been a dedicated part of this community and we couldn't be more pleased to honor that commitment by naming this patio after them.

This year the Belknap Mill celebrates its 200th anniversary. Since 1823, our building has stood at the river's edge, providing jobs, hosiery, and history. Today, the Mill is an important part of the downtown community, A museum, an art center, and the state's official meetinghouse. The Belknap Mill and its mission is poised to continue for another 200 years, but we need your help.

Now is the time to leave your mark on a piece of downtown Laconia and to support the Belknap Mill. Stone pavers of various sizes and prices are still available. If you would like to stop by and see the patio for yourself, we would love to have you. Contact Executive Director, Cheryl Avery 603-524-8813 or [cheryl@belknapmill.org](mailto:cheryl@belknapmill.org) for more information.

Sincerely,

Cheryl L. Avery, Executive Director

The annual program that collects household hazardous waste is changing the schedule beginning this fall. Previously the program had 8 collection sites over 2 days. The program for 2024 will still have 8 collection sites, however, the events will occur on 4 days which will be spread out over the course of the spring, summer, and fall. # Reminiscences with **Ann Dearborn Kaligian** Laconia's First Female City Clerk

On September 28, 2023 Ann Dearborn Kaligian spoke to a standing-room only crowd in Council Chambers, reminiscing about her years as the City of Laconia's first female City Clerk. Below are a few photos and news clippings from that special evening...

Our thanks to W. Stephen Loughlin for the photos, and to Ann for sharing her memories with us.

# Our yesterdays

*Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....*

## THEN ...

**This Lakeport aerial from around 1965 shows the three manufacturing buildings of Scott & Williams Inc. on the shore of Lake Opechee, among a host of other landmarks, including the Halifax Mill at the right of Building 25 (the five-story structure at center); and the H.H. Wood Mill, off Bayside Court, at upper right. The Mount Belknap Hotel, Cushing Block, former First National Store and Lakeport Opera House are seen to the left of Elm and Clinton streets at bottom right of photo. (Laconia Historical and Museum Society)**

## ... AND NOW

**Much change has occurred in this part of Lakeport during the past half century. The Halifax Mill was razed in 1966 and Wood's Mill (by then 'Sweaterville') burned in 1968. Building 25 was demolished in 1991 and the Scott & Williams 'connector building' became the Opechee Inn and Spa in 2005. Two significant new buildings erected on Elm Street in the past few years are seen at center right. (Jon Decker/ The Laconia Daily Sun)**
