WINTER PARKING BAN

Winter parking ban begins Nov 1st

As of November 1st, vehicles and trailers cannot be parked on a public street from midnight to 6:30 am. This ban allows Public Works crews to plow snow piles back against the curb and clear snow from the streets when there is little traffic on the street.

Vehicles parked on a public street during this time may be ticketed or towed at the discretion of the Chief of Police or the Public Works Director. The fine for parking on a public street during these hours is \$25.00.

Thank you for your cooperation!

Winter hours

Residents using this facility must have a Laconia dump sticker or a day pass.

For more info call DPW at (603) 528-6379.

From November 1st to March 31st, the City of Laconia Hilliard Rd. Brush Dump, located at 325 Hilliard Road will be open for winter hours!

It will be open every Friday and Saturday from 10 am to 2 pm, unless it is snowing.

Portable Basketball Hoops

**Please move your portable
basketball hoops!**

Winter is fast approaching and Public Works and NHDOT are preparing the public streets and sidewalks for snow plowing.

One item that residents can help with is moving their portable basketball hoops that are on or near the roads and sidewalks so they are not hit by plow trucks and tractors.

The hoops can damage the snow removal equipment or the equipment can damage the hoop itself.

No later than November 17th please move portable basketball hoops at least five feet back from the edge of roads or sidewalks as the weight of the snow coming off of the plows can knock portable basketball hoops over damaging them and anything that is in their path.

Thank you for your help!

Our yesterdays

Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....

THEN ...

Scott & Williams plant at Normandin Square is seen in 1960s or 1970s. Wooden wing fronting on Union Avenue was razed in 2006. Long tenement building at upper right burned, Feb. 26, 2014. A number of wooden buildings at corner of Strafford Street (bottom right) were razed in 1997 to make way for a Rite Aid Pharmacy. A portion of Howard Street is seen at upper left, parallel with Church Street, just off-photo at left. (Laconia Historical and Museum Society)
