## RECIPE CORNER - CANDY CANE FUDGE

From *What's for Christmas Dinner?* by Sarah Rossi. Find it upstairs in Nonfiction!

### Ingredients

- 1 2/3 cups dark chocolate- broken into small pieces
- 14oz condensed milk
- 2 tsp peppermint extract
- candy canes- cut into very small pieces

### Directions

- Line the base and sides of an 8" tin with baking paper.
- Put the chocolate, condensed milk, and peppermint extract in a large microwaveable bowl and microwave in 30-second bursts (mixing well after each burst).
- Pour into the lined tin, smooth out, and quickly sprinkle with chopped candy canes. Take a fresh piece of baking paper and use it to press down carefully all over the surface of the fudge so the candy canes are firmly indented into the fudge.
- Refrigerate overnight to set.
- Turn out the fudge, remove the paper, and cut the fudge into 36 small chunks.
