# SUNDAY SERIES

18 JANUARY

11:00 AM–1:00 PM

61-65 WATER STREET, LACONIA

A unique program experience beyond LHMS's regular offerings, giving our community new ways to connect with the history of Laconia.

## Laconia Historical & Museum Society

**Sunday, January 18th, 11am-1p**

We're excited to introduce the Sunday Series, a new monthly program held on the third Sunday of each month at The Archives, the LHMS Museum.

Designed to complement our regular offerings, the Sunday Series features special programming and events with a rotating focus—ranging from family-friendly experiences to adult and specialty programs throughout the year.

The inaugural Sunday Series will be family-focused, pairing hands-on creativity with the opening of our newest exhibit, Winter in Laconia. We invite families to explore local history, spark imagination, and enjoy a seasonal celebration together.

The first Sunday Series will be family-focused and will feature Winter Scene: A Community Mural, an interactive exhibit where children can create a winter-themed craft and add it to a growing mural inspired by winter in Laconia.

## When Seconds Count...

**Which would you rather have to protect your home?**

**We need your help!**

If you're able, please shovel out the fire hydrants close to your home or business. In a fire seconds count! Remember to clear a 3 foot perimeter round the hydrant, especially towards the street. Clear a wide enough perimeter around the hydrant for firefighters to work.

A common question that is asked is why do I need to clear the hydrant, won't the fire department clear the hydrant? The answer is yes, they will as soon as they can. However the fire department still has to respond to emergency calls. The City of Laconia has over 600 hydrants to clear and we could really use your help!

## Dementia Caregiver Support Group

This group will provide support, education, and an opportunity to exchange ideas among caregivers of those suffering with dementia. A caregiver is anyone who provides regular care for a relative, a partner, or a friend. For many it is a labor of love, but it can also be physically and emotionally demanding. It is important to keep a balance between caring for another individual while caring for oneself.

## **CORRUGATED CARDBOARD WANTED**

Another holiday season has gone by and many of you may be wondering what to do with your cardboard boxes. The City has a cardboard box collection point at 257 Messer Street that is open 24 hours a day seven days a week.

So gather up all of those corrugated cardboard boxes you're sure to have accumulated during the holidays ...flatten them down, pile them up and bring them to the cardboard collection bin to be compacted and recycled. Cardboard brought to the Messer St. collection point versus being placed at the curb saves the City money in solid waste/recycling tax dollars. Any property owner or business in Laconia can use the Messer Street cardboard collection point.

Cardboard recycling is clean and easy. Corrugated cardboard only please! No cereal, soda/beer or shoe boxes, and no bubble wrap or air pillows.

Questions? Please call DPW at  
(603) 528-6379.

A presentation by Lily Lescarbeau on the History of the Laconia State School will be presented on Wednesday, January 14th, at 6:00 p.m. at the Laconia Public Library.

A lifelong resident of Laconia, Lily attended Laconia High School and is currently studying history and legal studies at Saint Anselm College in Manchester. A self-proclaimed history enthusiast, she earned a Diploma of Distinction for her project on Laconia High School's history during its 100th anniversary in her senior year.

Lily was the first recipient of the Laconia Historical & Museum Society's Warren D. Huse Honorary Membership in 2024 and has since been an active member of the Society's Collections Team. During her senior year, she has spent countless hours studying and understanding the history of the Laconia State School.

The Laconia State School was opened in 1901, consisting of a dorm for the children and the superintendent's house. Over the years until the School's eventual closure in 1991, many buildings were built and torn down. The current property has sixteen buildings as well as numerous outbuildings used for the farm. There have been 8 superintendents over the 90 years the State School was active; Benjamin Ward Baker was superintendent for 35 years of that 90. The State School has a very rich history that while not showcased much and not well documented, is very important to share.

This program is free and open to the community as part of the Laconia Historical & Museum Society's 'Our Yesterdays 2026 Presentation Series.' # Our Yesterdays

*Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past...*

## THEN ...

In 1926 — 100 years ago this week — Laconia Motors Inc. was 'rapidly transforming the former carbarns on Union Avenue into a structure which when completed will be one of the finest motor salesrooms and completely appointed garages in this vicinity ... The firm has acquired the Ford and Lincoln agency, and is equipping itself to do a large business,' The Citizen reported. (Laconia Public Library)

## ... AND NOW

The Laconia Street Railway had ceased trolley operations in 1925. The building, at 370 Union Ave., occupied by the Davison Garage, was destroyed by fire, Dec. 3, 1931, and was replaced by a brick structure that was home to Moody Motors in the 1950s, Pittsfield Shoe Co. in the late 1960s, later to Decorative Interiors — and which is currently occupied by the Salvation Army Thrift Store (Gabriel Perry/The Laconia Daily Sun)
