Mark your calendar and gather some friends! Help celebrate the Lakes Region Scholarship Foundation's 70th anniversary by attending LRSF's Annual Benefit Night at Fratello's Restaurant in Laconia, on Tuesday, March 3rd, from 4pm to closing, courtesy of the McDonough Family. Twenty-five percent of the food portion of every order will go directly to benefit the LRSF Friends of the Foundation Operating Fund – FOFOF, whether you're dining in or take out.

Executive Director, Chris Guilmett commented "Lakes Region Scholarship Foundation is grateful for the continued support of the McDonough Family through this annual benefit night! It is a win-win for people in the area. Those who attend get a delicious meal in addition to helping out LRSF. All you need to do, when placing your order, is mention that you are there to support Lakes Region Scholarship Foundation. Since 1956, close to \$11 million dollars in scholarships have been awarded by the Lakes Region Scholarship Foundation, to Lakes Region students and residents who have gone on to further their education. We hope the many diners who have supported us in the past, as well as many new patrons, will join us for a festive evening of celebration at Fratello's!"

"Tickets for our first "Lucky Scholars" lottery scratch ticket wreath drawing will also be available for purchase.", added LRSF Director, Karen Switzer. Along with being able to purchase tickets for "Lucky Scholars" that evening, tickets can also be purchased ahead of time directly through Lakes Region Scholarship Foundation's website at: www.lrscholarship.org. Stay current by following Lakes Region Scholarship Foundation on Facebook or Instagram.

Shown (right) are Lakes Region Scholarship Foundation Executive Director, Chris Guilmett (left) and Director, Karen Switzer (right), check in with Chris McDonough (center) of Fratello's Restaurant in Laconia, regarding their upcoming Annual LRSF Benefit Night. The event will be held on Tuesday, March 3rd from 4pm to closing. A portion of all food (in house or take out) purchase will go to the Foundation, which this year, is celebrating its 70th Anniversary!

City Hall will be closed all day on Monday, February 16th for Presidents Day.

Did you know that the weight of heavy snow piled on top of a roof can cause structural damage or collapse?

With this year's snowfall it is essential to monitor the snow depth on your roof.

Snow removal can be dangerous, so before you try to perform roof snow removal yourself, you should focus on safe snow removal techniques. A qualified individual should follow necessary protocols for safe snow removal to minimize risk of personal injury. Review FEMA's Snow Load Safety Guide to learn more.

WHAT GRANITE STATE FAMILIES NEED TO KNOW ABOUT CHANGES TO MEDICAID

► Wednesday, February 18
7-8 pm
Zoom Webinar

Join us for an important webinar to hear the latest information on Medicaid changes! – February 18th, 2026

You're invited to an important webinar, What Granite Staters Need to Know About Changes to Medicaid, on Wednesday, February 18, from 7-8 pm. With over 187,000 New Hampshire residents relying on Medicaid for their health care coverage, it's important to understand these developments and what they could mean for our state.

The event will include a discussion on the timing for the rollout of changes, including what's already in effect and what's still to come. Panelists will share perspectives on the impact to individuals, families, small businesses, and the greater community. This webinar is designed for anyone interested in health care access in our state – whether Medicaid affects you directly, someone you know, or you want to stay informed as a community member or health care professional.

We look forward to seeing you virtually!

Our Yesterdays

Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past...

THEN ...

The Casino Building Co. built this wooden factory building at Casino (now Normandin) Square 'on speculation' in 1896 and the Waverly Shoe Co. moved here in February 1897. However, the company left in late November 1899, citing unfavorable freight rates from the Boston & Maine Railroad. The building had been vacant for nearly two years when the Casino Building Co. announced it hoped to find a new tenant, 125 years ago this week. (Laconia Historical and Museum Society)

... AND NOW

In 1903, George D. Mayo moved to the Waverly plant from Franklin, to begin the manufacture of knitting machines. In 1910, the Scott & Williams Co. of Philadelphia moved here and merged with Mayo. By 1912, Scott & Williams became the name of the firm, which built a wooden addition along Union Avenue as far as Strafford Street and, in 1929-1930 built the four-story cement and steel factory now home to Normandin Square Apartments on the Waverly site. The Union Avenue wooden ell was demolished in 2005 and tenants began moving into the new apartments in the renovated cement and steel factory building in mid-May 2006. INTRODUCING THE CONTACT PERSON NOTIFICATION PROGRAM

Introducing the Contact Person Notification Program! A statewide public safety initiative that allows residents to voluntarily provide contact information of a legal guardian or other individuals who can assist law enforcement in communicating with persons with cognitive impairment or other disabilities.

Voluntarily submitting your loved one's information will give law enforcement additional knowledge on how best to interact with them and allow you, the caregiver, to be contacted directly and in a timely manner.

To learn more about the program, how it works, and how you can sign up, call (603) 223-3872, email us at NCIC@dos.nh.gov, or visit: nhsp.dos.nh.gov.
