NH Humane Society

Over a century of love for those without a voice.

NHHS Brings Story Hour to Life!

Meg Greenbaum, Lynn Davis and Deb Corr at Sanbornton Public Library in November 2016.

We all know that the New Hampshire Humane Society, located on Meredith Center Road in Laconia, is the area's go-to for animal rescue and other shelter services. But did you know that you can find NHHS volunteers right in your community?

A dedicated team of NHHS volunteers from their Education Program has visited area libraries in Meredith, Ashland, Sanbornton, Moultonboro, Bristol and other towns, turning "Story Hour" into an exciting educational opportunity for children young and old. The program is based on the Five Pillars concept of need – food & water, shelter, medical care, exercise, and love. Teaching children these basics beginning at a young age make them compassionate animal owners and advocates as they grow older.

The program also teaches pet safety, oftentimes using the shelter's life-sized stuffed dog "Chudleigh," but sometimes with the aid of one of the Humane Society's "Ambassa-dogs" or a shelter cat, and; other basics of animal care. The Education Team, made up of Deb Corr, Meg Greenbaum and Lynn Davis, also reads stories and engages in other activities, as well as a craft project.

According to NHHS Education team member Deb Corr, "Our goal is to provide a program that teaches children about the importance of the lives of animals. We teach them about the care, well-being and maintenance of dogs, cats and other household pets. It is our hope that the children will grow up to become good stewards for the animals in their care." The Education Team has also presented in multiple area schools and other programs, such as the Boys & Girls Club of the Lakes Region, Ashland Elementary School, and the Laconia area elementary schools, with multiple sessions spread over several weeks, including a culminating trip to the shelter itself if possible. Educators interested in having the Humane Society Education program presented at their school or club should contact Andrea Bonner, Volunteer Coordinator at the NH Humane Society, at andrea@nhhumane.org or (603) 524-3252.

The NH Humane Society serves 17 communities in the Lakes Region, providing essential services to animals and pet owners alike. NHHS is dedicated to finding responsible and caring forever homes and providing shelter for lost, abandoned and unwanted animals. NHHS advocates for animals and speak for those who cannot speak for themselves, as well as implementing educational programs and services to promote responsible pet ownership and the human-animal bond. And finally, the shelter and its tireless staff and cadre of dedicated volunteers work to prevent cruelty to animals.

News

From the City Clerk's Office

IMPORTANT
ANNOUNCEMENT!

The NH Department of Safety, Division of Motor Vehicles is pleased to announce that a new computer system (VISION) will be implemented in the month of February. As a result, there will be an interruption of motor vehicle registration processing statewide. Town/City Clerk's offices, along with the DMV offices, **will be unable to process new or renewal registrations over the President's Day holiday weekend, beginning Friday, February 17, 2017, and will be resuming transactions on Wednesday, February 22, 2017.** Throughout this process, the City Clerk's office will be open for other transactions not related to vehicle registrations during our normal, scheduled hours of operation.

If you have a new registration, a temporary plate or your registration renewal is due during the month of February, please make sure you are aware of the processing interruption.

Please feel free to visit the DMV website at www.nh.gov/dmv for updates concerning this implementation.

Dear WOW Trail Friends,

One of the many benefits of life in the Lakes Region is the wide variety of outdoor recreation opportunities in all four seasons.

Among the many opportunities is a walk, bike, or cross country ski on the growing regional rail trail.

If you've yet to explore the trail when it's snow covered, I encourage you to take a winter walk, bike, or cross country ski on it one day soon. Here's a picture I captured from Phase 2 at Bartlett Beach last week. I saw a few fat bike tire tracks and it was walkable without any snowshoes, but with another storm in the forecast, the story may be different this week.

There are many great local retailers that are well-versed in all things having to do with outdoor recreation and we encourage you to visit them if you need any encouragement or advice about the best ways to play outside this winter.

Here's to embracing the winter weather and trying something new, outside, this season!

See you out there!

For the Love of Theater February 8th

For the Love of Theatre: How two experts' love of the arts helps foster theater in the Lakes Region. Join Taylor Community for a casual evening of conversation as Renee Speltz, chairman of the Board of the Winnipesaukee Playhouse, and Marketing Manager

Lesley Pankhurst share how the Playhouse came to be. The lecture is Wednesday, Feb. 8 at 6:30 p.m. in Taylor Community's Woodside Building. It is free and open to the public.

The Winnipesaukee Playhouse is a 200-plus-seat courtyard style theater located in Meredith. It produces both a professional summer stock season as well as a community theater season. Over the past eight years, the theater has received 46 New Hampshire theater awards, more than any other theater in the state during this time. In 2009, New Hampshire Magazine named it the Best Professional Theater in the state. In 2013, the Playhouse moved from Weirs Beach in Laconia to the former Annalee Dolls campus in Meredith, allowing for offices, dressing rooms and a lobby.

WildQuest Winter Camp

At Prescott Farm

Monday - Friday, February 27-March 3, 2017; 9:00-3:00

\$235/week or \$47/day (\$185/week or \$37/day Members)*

For children ages 6-12. Extended care is available.

It's a special time of year—chilly and sparkly white outside, and there are so many fun things to do! Winter camp is one of our favorite programs—it has a "personality" that is so different from Spring and Summer camps because we see Prescott Farm from such a different perspective!

Depending on the weather, the week will be a mix of:

- Animal tracking & Snowshoeing adventures
- Sledding
- Winter games such as "Weasels & Voles"
- Snowcrafts such as building "quinzhees" or igloos
- Going on a Winter Quest
- Exploring the frozen pond
- Winter-themed arts & crafts projects
- Maple Sugaring
- Stories around the campfire

Please Note: Please dress campers for being outside in the cold, including warm coats, snowpants, hats, mittens/gloves, warm socks and insulated boots. We highly recommend dressing in layers and prefer wool and fleece fabrics (rather than cotton) as they stay warmer if they get wet. Please send an extra change of clothes, socks and mittens. Campers should also bring along an indoor pair of shoes.

You can register by the day or for the full week.

***PLEASE NOTE THAT REGISTRATIONS, PAYMENT AND PAPERWORK MUST BE RECEIVED BY FEBRUARY 21. FEES FOR REGISTRATIONS RECEIVED AFTER 2/21/17 WILL BE \$260/WEEK OR \$52/DAY (\$210/WEEK OR \$42/DAY MEMBERS).**

****Offer valid if you register your child for a full week of camp (not individual days) and refer a friend that also registers for the full week. The \$10 will be returned as a rebate check on the first day of camp.**

NEW!

Keep your camper warm with a Prescott Farm Kids' Gnome Hat. Recycled fleece repels water and dries quickly!
