# GOT LUNCH! LACONIA

## GOT LUNCH! Laconia Registration Forms Available NOW.

**GOT LUNCH! Laconia** is a summer healthy lunch program that delivers enough groceries, including fresh fruit and vegetables, to provide five lunches a week to each registered child's home. All Laconia school age children are eligible. The program reaches out specifically to those who qualify for 'free and reduced' lunches at the school. However, any family is eligible to register their child(ren). **GOT LUNCH! Laconia** does not want any child to go hungry this summer.

Registration forms were sent home with school children on April 20<sup>th</sup> and are also available online at [www.gotlunchlaconia.org](http://www.gotlunchlaconia.org), at the Congregational Church of Laconia's office at 18 Veterans Sq., and at all of the Laconia schools. Each child needs to be registered each year, even if a participant in a past year. Registration forms can be returned to any of the schools or mailed to **GOT LUNCH! Laconia**, 18 Veterans Square, Laconia, NH 03246.

## 2<sup>ND</sup> ANNUAL MAE WEST MEMORIAL MOTORCYCLE RIDE HITS THE ROAD JUNE 15

Laconia Motorcycle Week is right around the corner, and that means the 2<sup>nd</sup> Annual Mae West Memorial Motorcycle Ride revs up on June 15! Gather at Rally Headquarters on the Boardwalk in the Weirs at 8.00a.m to register for this memorial ride, hosted by Sick Boy Motorcycles. The fee is just \$25 per ride, \$20 per passenger with kick stands up at 10.30!

Mae West – a stately looking orange tabby feline, was adopted by Charlie St. Clair from the New Hampshire Humane Society back in 2002. She lived a long and pampered life with Charlie, passing away after seventeen happy years. To honor her memory and highlight the mission of the local animal shelter based on Meredith Center Road, Laconia, this ride now

bears her name. "We are very thankful that Mae West found her forever home, and one so loving that there is now a motorcycle ride in her honor", said Marylee Gorham-Waterman, Executive Director of the NH Humane Society, "we are pledged to care for over 1,000 animals each year, finding them loving forever homes, just like the one Mae West enjoyed for so long. Of course, wonderful stories such as Mae West's happen only with support from friends such as Charlie and the larger riding community".

The NH Humane Society is a 501(c)3 non-profit whose missions is to find responsible and caring forever homes; provide shelter for the lost, abandoned and unwanted animals, advocate and speak for those who cannot speak for themselves. The Society works hard to prevent cruelty to animals, and offers education and outreach programs along with many community initiatives to help people and their pets.

Those who cannot participate in the ride on June 15<sup>th</sup> are invited to make a donation to support the cats and dogs, puppies and kittens currently awaiting their second chance at love and loving adoptive home.

To learn more about the Mae West Memorial Motorcycle Ride or to view animals currently up for adoption, stop by the shelter at 1305 Meredith Center Road, Laconia NH 03247 or visit them online at NH Humane Society's website, [www.nhhumane.org](http://www.nhhumane.org).

# GOT LUNCH! LACONIA

A Letter to the Citizens of Laconia:

We not only live in a beautiful resort area, surrounded by the beauty of the mountains and lakes but we also live in a community that cares about children. In 2014, GOT LUNCH! Laconia fed 654 children throughout the summer. It costs the program approximately \$120 to feed each child for the entire summer. All these community efforts make a big difference and make this program possible.

GOT LUNCH! Laconia is a community collaborative made up of volunteers who work together to deliver healthy groceries to the school children of Laconia during the 10 weeks of the summer school vacation. With over 60% of the children qualifying for Free and Reduced Lunch the potential is great for many of the children in Laconia to go without enough food during the summer. GOT LUNCH! Laconia makes sure that children who need food have healthy groceries delivered to their door step.

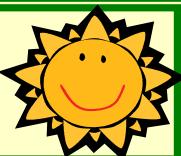

In April the Laconia School District came up with the idea of *5 on the 5<sup>th</sup>* for Cinco de Mayo day. All school employees who donated \$5 to GOT LUNCH! Laconia could wear jeans on May 5<sup>th</sup> and proudly wear a sticker "5 on the 5<sup>th</sup>". Then they thought to challenge the local businesses to do the same. One press release about the challenge and very little time to pull this challenge together raised \$1,835.50 to feed the children of Laconia; raising enough money to feed 15 children for the entire summer. The School District alone raised \$1,230.50. Other businesses that answered the call this year were: **Irwin Automotive, Lakes Region Community Services, Lakes Region Partners for Public Health, Lake Opechee Inn and Spa, Wescott Law, and Sunday's Salon and Spa.** Thank you, so very much for responding to the challenge.

Next year we hope to grow this challenge and include more business and non-profits – watch for the opportunity next year. Thank You Laconia!

Thank you, Laconia, for caring for our children. For more information about the program, or how to register, volunteer or donate, go to the website: [www.gotlunchlaconia.org](http://www.gotlunchlaconia.org).

## **PET OF THE WEEK** **COPPER**

What's a handsome boy like you doing at New Hampshire Humane Society, *still*, one might well ask when meeting the adorable, long eared, long legged, large pawed Copper. Copper is but 14 weeks old and growing like a Nebraska corn field.

Arriving here with a large group of puppies – all bloodhound types, they literally escaped euthanasia by coming to New Hampshire; he is the last remaining pup. It's true Copper had a minor health setback, you can read more about that on our Facebook page. Meanwhile, Copper has shown he is laid back, loves to travel (he's willing to take a road trip just about anywhere), gawky and fun around other dogs, but willing to lean in for the cuddle at a moment's notice, he surely should not be overlooked any longer. Of course, his nose informs him of the world at large, all the way to the kitchen no doubt.

Can't you just envision Copper as part of your family? Maybe you'll see him at the Irwin Auto Group Dog Adopt A Thon Saturday June 6<sup>th</sup>. Call 524-3252 or check [www.nhhumane.org](http://www.nhhumane.org)
