**A Letter To the Citizens of Laconia and the Lakes Region From the Laconia Human Relations Committee and Lakes Region United Way:**

We call attention to the **Community Aspirations** contract presented here. It evolved out of concern for the rising intolerance and incivility of communication that marks our current national landscape. The goal is to foster ongoing equitable community-wide communication and dialogue in the public arena. We would like to ensure that we, in the Lakes Region and New Hampshire, keep the ideals of democracy in our vision.

The **Community Aspirations** is a joint effort on the part of several Lakes Region concerned citizens and organizations; the contract grew out of the *Community Forum on Civil Discourse* held October 5, 2011 at the Lakes Region Community College. Since the *Community Forum* a group of concerned citizens have continued to meet on this issue. The group is not a political arm of any organization; it only shares a desire for reasoned discourse based in fact and thoughtful, immediate and long-term outcomes in public life.

The goal is to have the **Community Aspirations** petition signed by as many citizens of Laconia and the Lakes Region as possible.

Anyone in the Lakes Region is encouraged to sign the contract. There is no checking of names for validity with any public list.

The petition and copies of the **Community Aspirations** contract can be found in the Belknap Mill Society lobby from 9 am to 5 pm Monday through Friday, and 9 am to 3 pm on Saturday. Please stop by the Mill and add your name to the petition. Also, individuals and community organizations are encouraged to add the Community Aspirations to their Face book page!

There is a column on the petition sheet which individuals and organizations can check saying that they are willing to have their names listed in an ad in local newspapers. This ad will officially present the **Community Aspirations** petition to the public. Our hope is that many who sign the petition are willing to have their name listed in the ad in local newspapers. The petition will be available for signing through May.

Signed,

## **Community Aspirations**

**We the People** of Laconia and the Lakes Region, in order to **REACH** our full potential as a civil and caring community, affirm and adopt the following ideals and thereby aspire to be:

**Respectful** of each other, the community, the environment, and ourselves in our words, actions and deeds;

**Ethical**, honest, truthful, trustworthy, sincere, fair even in circumstances of difficulty, intolerance and trouble;

**Accountable** to each other and ourselves, to distinguish between right and wrong, to be morally, legally and mentally responsible and to understand there are consequences for all choices we make and all actions we take, or fail to take;

**Compassionate** in all our dealings with both the powerful and powerless; and

**Honorable** in our individual and collective acts or manners of behaving so we convey decency and courtesy toward others.

**Therefore**, we encourage all members of our community to embrace, practice, promote and uphold these ideals daily wherever and however we live, learn, work, worship and play.

## Drunk Driving

The deadliest drunk driving accident in the U.S. occurred in 1988 on Interstate 71 in Kentucky when a drunk driver with a BAC level of .24 caused a head on collision with a school bus. The crash and ensuing fire killed 27 people (most of them children) and injured 34 others.

A driver in the state of New Hampshire is considered to be legally drunk when his or her blood alcohol content (BAC) level is at or above .08 grams per deciliter (g/dl).

It takes approximately six hours after drinking for the body to completely eliminate alcohol from its system with a BAC level of .08.

A driver with a BAC of .08 is 11 times more likely to be in a fatal accident than a driver who has consumed no alcohol. Drivers are more likely to be alcohol impaired during the night than during the day.

Approximately 11,000 people will die this year in a drunk driving accident.

Every 50 minutes somebody dies because of a drunk driver.

1 in 3 of us will be involved in a drunk driving crash.

1 person a minute is injured because of a drunk driver.

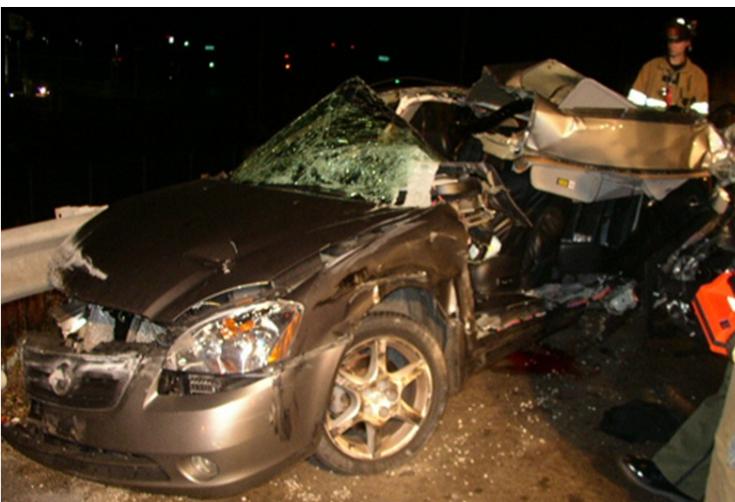

Don't let your friends drive impaired. Take their keys away.

If you have been drinking, get a ride home or call a taxi.

The Laconia Police Department will be out in full force this summer to combat Drunk Driving. Drunk Driving will not be tolerated in our City.

The Laconia Police Department in conjunction with New Hampshire Highway Safety will combat drunk driving by conducting extra traffic patrols with primary emphasis on apprehending the drunk driver.

**Don't drive drunk -  
it isn't worth it!!!**

# CODE ENFORCEMENT DEPT.

## Decks, Sheds and Pools

The Code Department is getting ready for Permit Applications for spring construction of Decks, Sheds and Pools! This is considered a Minor Building Permit and the [Application Form](#) is available online. Following are some helpful hints as you plan to submit your application for a pool:

### POOLS:

- Note setbacks to property lines.
- If you live in an association, please submit a letter of approval from your homeowners'/ condominium association.
- Green space calculations shall be provided if your property is nearing the maximum lot coverage.
- The installation and maintenance of swimming pools shall meet the following minimum standards:

- (1) The property or pool shall be surrounded with an enclosure adequate to make the pool inaccessible to small children. The minimum height, including gates, shall be four feet from the ground.
- (2) All gates shall be installed with self-latching closures placed a minimum of four feet above the underlying ground.
- (3) Any above-the-ground pools shall be exempt from this section only if they:
  - 1) are greater than four feet in height, and
  - 2) have a retractable staircase entrance or barrier.

### NOTICE OF RATE CHANGES LACONIA TRANSFER STATION

On May 14, 2012, the Laconia City Council voted to approve the following rate increases at the Laconia Transfer Station effective July 1, 2012 and July 1, 2013 respectively:

- (1) Loads containing up to 100 pounds: \$5 per load
- (2) Loads containing more than 100 pounds: \$60 per ton effective July 1, 2012 and \$90 per ton effective July 1, 2013, calculated in 20 pound increments.

The City of Laconia strongly encourages all Laconia residents and businesses to recycle - by participation in the curbside collection program for those on collection routes, by utilizing the 4 remote drop-off sites around the city (behind 257 Messer St, behind the Lakeport Fire Station, at the Weirs Community Center parking lot, and across from the Memorial Park Club House or, by delivering recyclables directly to the Laconia Transfer Station.

Recycling bins are provided free of charge. There is currently no limit on the amount of recycling which is collected curbside.

Please call Ann Saltmarsh if you have any questions at 528-6379.

### Office Renovations and Upgrades

(BEFORE RESTORATION)

(AFTER RESTORATION)

The Laconia Water Department has finished the renovations to our front office at this time. The Department started the project with a few goals in mind such as getting insulation on the exterior walls and updating the air conditioning system to be more energy efficient. But as every construction project goes, there are always some unknowns that alter the plans.

As the demolition of the old 1970s brown wood paneling began we started to uncover the materials behind the walls and, to everyone's surprise, we found bead board woodwork and wainscot panels. Unlike the brown wood paneling (as seen on the left picture above) these panels had some character and some history; therefore, the Department made a determination to restore the old woodwork. The Department was fully aware that this decision would add to the cost and the time frame estimated of the project, but everyone within the Department was in agreement that restoration was the ideal thing to do.

After a few months of hard work and determination by the Department's work force (especially David Willey as seen in the picture below shaking the hand of Greg Page, Water Board Commissioner), this is what we have today:

At this time the Department would like to thank all of our customers for their patience and understanding during the time of renovation. Please feel free to stop in and see our newly restored reception area!

## Enhancing Habitat for Eastern Bluebirds at the Laconia, NH Transfer Station

April 2011: Belmont students constructed ten bluebird boxes, which were mounted around the site with the assistance of Waste Management and the City of Laconia.

April 2012: We sited four bluebirds in mid-February, suggesting our brood returned or wintered here. More community volunteers will get involved this April with WM and the City to plant native high bush cranberry and nannyberry as fall/winter food supply for our bluebirds and other species.

June 2011: WM employees sited our first pair of bluebirds, who showed great interest in Box #5. The pair quickly got to work building a nest. Four eggs were observed in late June!

July 12, 2011: Four baby bluebirds hatched over the weekend, born naked and with their eyes closed. Mom and Dad worked hard to keep them fed.

July 19, 2011: The four fledglings are growing fast and are partially feathered. They flew away a little more than a week later.

## Assessing

Important  
DATE!

Now is the time to file for NH State Low and Moderate Income Homeowners Property Tax Relief! Form DP-8 must be filed no later than June 30, 2012. The State no longer mails the forms to property taxpayers who have filed in prior years.

You are eligible to file for this tax relief if:

- You own a homestead subject to the state education property tax;
- You have resided in such homestead on April 1 of the year for which the claim for relief is made;
- You have a total adjusted gross household income of \$20,000 or less if a single person, or \$40,000 or less if married or head of a NH household.

Be sure to attach a copy of your final 2011 property tax bill and your 2011 federal tax return for each claimant and all adult members of the claimant's household for the corresponding period.

DP-8 forms can be obtained online by clicking [here](#) or by calling 603-230-5000. Completed forms are sent to: NH Dept of Revenue Administration, Document Processing Division, PO Box 299, Concord, NH 03302 -0299.
