The Laconia Police Department would like to wish everyone a Happy Halloween! All of us encourage you to follow our safety tips so you can help us make this Halloween a more enjoyable one for everyone.

- Set time limits for children to trick or treat (Laconia Trick or Treat hours: 5:00-8:00pm)
- Remind children not to enter a stranger's house or car
- Wear white or reflective clothing
- Inspect candy before eating
- Always be aware of your surroundings.

Be sure to say hello to our officers who will be patrolling your neighborhoods on bicycles, foot and cruisers!

Welcome to Laconia Links a weekly email newsletter update devoted to keeping you informed of City of Laconia department news, City projects, useful links, activities and events!

Look for a new edition of the newsletter each Friday. If you have already signed up to be on our distribution list to receive your newsletter by e-mail, thank you for your interest! If you would like to be added to our e-mail list (or to unsubscribe), please click [here](#).

As always, we welcome your ideas and comments as to what you would like to see included in future issues. Just give us a call in the City Manager's office at 527-1270, or contact us by e-mail at info@city.laconia.nh.us

We look forward to keeping you up to date on our beautiful City!

City Hall will be closed on Monday, October 12th for Columbus Day

Laconia Fire Department

Safety Advice

Link to Fire
Dept.'s
Website [here](#)

When we think of burn injuries most people think of fires. However, for young children and elderly citizens burns are caused mostly by hot water and hot liquids. *Scalds can be prevented through increased awareness of scald hazards and by making simple environmental or behavioral changes. These include providing a "kid-safe" zone while preparing and serving hot foods and beverages, and lowering the water heater thermostat to deliver water at a temperature not to exceed 120 degrees.*

Every day, hundreds of children and older adults with burn injuries are taken to emergency rooms. The majority of the injuries are from scalding. Scald burns (caused by hot liquids, steam, or foods) are the most common burn injury among children age 4 and younger. Mortality rates from scalds are highest for children under age 4. While the injuries and the numbers are distressing, even more disturbing is the fact that many of these burns could have been prevented.

Tap water scalds are often more severe than cooking-related scalds. The American Burn Association recommends the following simple safety tips to decrease the risk to yourself and those you love.

Lower the temperature settings on water heaters to 120° F (49°C) or less.

Install anti-scald devices on water faucets and showerheads.

When filling the bathtub, turn on cold water first. Mix in warmer water carefully.

Use knob covers on faucets so a child cannot turn the handles.

Always test the water temperature before stepping into or placing a child into a tub.

Scalds also often occur in the kitchen or dining room. Many of these can be prevented by:

Using oven mitts or hot pad when cooking.

Turning pot handles inward.

Thoroughly stirring all microwaved food.

Never heating baby bottles in a microwave.

Not using deep fryers around children.

Do not let children play in the kitchen while you are cooking.

For more information about preventing scald burns, contact the
American Burn Association at 312-642-9260
or www.ameriburn.org.

AARP Smart Driver Course Scheduled for October 20th

The AARP Smart Driver Course, offered by AARP Driver Safety, is the nation's first and largest refresher course designed specifically for drivers age 50 and older. For more than 30 years, the course has taught millions of drivers proven safety strategies so they can continue driving safely for as long as possible.

The new, updated course is scheduled for Tuesday, Oct. 20 from 9 a.m. to 4 p.m. at Taylor Community's Woodside Building, 435 Union Ave. Class size is limited to 20 people. To sign up, please call 366-1203, Monday through Friday between 8 a.m. and 4 p.m. The nominal fee is \$15 for AARP members and \$20 for non-members, payable the day of class. AARP members should bring their cards. There will be a break for lunch and the Woodside Café is available for dining.

This course will help participants:

- Learn research-based safety strategies that can reduce the likelihood of having a crash
- Understand the link among the driver, vehicle, and road environment, and how this awareness encourages safer behavior
- Learn how aging, medications, alcohol and other health-related issues affect driving ability and ways to adjust how to allow for these changes
- Increase confidence
- Know how to drive safely when sharing the road with other road users
- Learn the newest safety and advanced features in vehicles
- Learn when driving may no longer be safe
- Explore other ways to travel

Some automobile insurance companies in New Hampshire provide discounts to participants who complete this course. People are encouraged to check with their respective insurance agents for more information.

Dr. Sax's Little Big Band in Concert October 18th

The next program in the Taylor Community Music Series, sponsored by Bank of New Hampshire, is scheduled for Sunday, Oct. 18 at 3 p.m. in Taylor's Woodside Building, 435 Union Ave. The event is free and open to the public. Reservations are not required.

The concert features Dr. Sax's Little Big Band, playing swing jazz classics made popular by the ensembles of Benny Goodman, Glenn Miller, Artie Shaw, Duke Ellington and the Dorsey Brothers. The event is generously being sponsored by Bonnie and James Doherty.

Band Leader Jonathan Lorentz (a staff big band arranger for Jazz Lines Publications) calls his band "vibrant, energetic and humorous" and adds "the band is comprised of some of the best professional musicians from around the state." Besides arranger Lorentz, who also plays Tenor Sax, other group members include: Charlie Jennison, Alto Sax; John Franzosa, Baritone Sax; Jimmy Clark and Russ Ryan, Trumpet; Mark Taddonio, Trombone; Paul Bourgelais, Guitar; Chris Mega, Piano; John Hunter, Bass and Tim Gilmore, Drums.

Election Officials Needed!

The City Clerk's Office is responsible for ensuring that all local, state and federal elections are conducted with accuracy and compliance. This would not be possible without the team of dedicated people that work at our polls to ensure that the democratic process is followed. These positions include Ballot Clerks, check-in assistants, and the elected positions of Moderator, Ward Clerk, Selectman and Supervisor of the Checklist. We would like to encourage any individual interested in becoming a part of the team of paid election officials for your ward to contact the City Clerk's Office. Currently, there are vacancies in the following elected positions:

Ward 2 – Selectman (2 positions)

Ward 3 – Moderator, Ward Clerk,
Selectman (2 positions)

Ward 4 – Selectman (3 positions)

Ward 5 – Selectman (3 positions)

It is extremely important that the positions available in Ward 3 be filled as soon as possible. Training is available and the experience is rewarding – make a difference in your community today!

Please note that you must be a registered voter of your ward to hold an elected position.

Call the City Clerk's
Office at 527-1265
for details or email
cityclerk@city.laconia.nh.us
