GARDEN TO REMEMBER FALLEN LMS STUDENTS

A Remembrance Garden was officially dedicated last Friday afternoon at Laconia Middle School. Former LMS Principal Eric Johnson and Principal

Chris Ennis helped create a unique memorial behind the school that overlooks Lake Opechee. The memorial pays tribute to fallen LMS students Lilyanna Johnson (2013), Robbie Mills (1998), Craig Shumway (1991) and Jason Charland (1988).

Through the years parents and former classmates haven't forgotten students who have died and the new memorial will ensure that future generations will know about them too.

It is intended to keep the memory of the fallen students in the hearts and minds of the community forever.

PLEASANT STREET SCHOOL MEDIA CENTER COMES ALIVE

Pleasant Street Media Specialist Liz Rosenfeld has created a very informative website for the media center. Favorite websites are listed for easy access for students from home and at school. There is also information on the number of books students can check out by grade levels as well as renewal and overdue book rules.

Also highlighted are tips for using the computer lab, internet safety, blogging sites and sample citations for books and internet articles.

Boy Scouts of America, Scouting for Food 2014

Scouting for Food is an on-going annual program of the Boy Scouts of America that began in 1985. Scouting units across the country collect food for their local food banks over the course of one week in November.

Each year, your local Cub Scouts leave plastic bags for their neighbors soliciting canned food items. One week later, the Scouts return to pick up and deliver the bags of food to a local food bank.

Cub Scout Pack 68 will be out on November 1st placing collection bags in neighborhoods throughout the City.... please watch for them!

Boy Scout troops stand outside major food retailers (with permission) soliciting donations from shoppers. This year, Boy Scout Troop 68 will be outside a number of local grocers on **Friday, November 7th** collecting donations. The troop will also be spending the night under the stars at Opechee Park on **Saturday, November 1st. They will be accepting donations of non-perishable food items from 3pm-9pm.** All donations will be taken to our local NH Food Banks.

Scouting for Food is a project rooted in the very foundation of the Scouting movement and

Now we need your help to find that special person this year. Please send or deliver your nomination by November 14th to the City Manager's Office, 45 Beacon St. East, Laconia, NH 03246, or e-mail to brownn@city.laconia.nh.us

Laconia Police Department

Captain Matt Canfield recently returned from Quantico, Virginia after graduating from the FBI National Academy on September 19th. The FBI National Academy is a professional course of study for U.S. and international law enforcement leaders that serves to improve the administration of justice in police departments and agencies at home and abroad and to raise law enforcement standards, knowledge, and cooperation worldwide.

Its mission is "to support, promote, and enhance the personal and professional development of law enforcement leaders by preparing them for complex, dynamic, and contemporary challenges through innovative techniques, facilitating excellence in education and research, and forging partnerships throughout the world."

Leaders and managers of state and local police, sheriffs' departments, military police organizations, and federal law enforcement agencies attended the 10 week training program. Participation is by invitation only, through a nomination process and participants are drawn from every state in the union, from U.S. territories, and from 27 international partner nations.

The class was comprised of 210 officers who completed intense classes in law, behavioral science, forensic science, understanding terrorism/terrorist mindsets, leadership development, communication, and health/fitness.

Officers participated in a wide range of leadership and specialized training, and they share ideas, techniques and experiences with each other, creating lifelong partnerships that span state and national lines.
