VOLUNTEERS RAISE \$50,000 FOR NEW ELM STREET SCHOOL PLAYGROUND

A ribbon-cutting

ceremony was held last week at the Elm Street School for new playground equipment recently installed as the result of a five-year, \$50,000 fund drive conducted by the Volunteers in Service to Elm Street School (VISTESS) program.

Fundraising efforts included sports ticket raffles, pancake breakfast events, penny/loose change drives, holiday spaghetti dinners and a variety of community outreach activities.

VISTESS is a non-profit organization dedicated to raising funds to provide enrichment programs, field trips and family events for Elm Street School students, parents and staff. Heather Lounsbury, PTO coordinator, said that not only was the equipment purchased by VISTESS but members also did prep work and site work for the project including installation. Bill Caruso and his facility staff helped prepare and install equipment as well.

For more information or to make a donation, please contact Kara Stanley, Playground Fund Coordinator at (603) 520-3233 or by e-mail at vistess@laconia.k12.nh.us; or check out Go Fund Me at www.gofundme.com/9swa6o and Facebook at Elm Street School Alumni and Friends.

Union Ave. Construction Project

As we work on improving our roads, you may have noticed significant activity on Union Avenue. Work at that location during this construction season includes water main, natural gas, sewer, road and sidewalk upgrades.

The project is planned in two phases, with the second phase currently anticipated as follows: Phase 2-Walker St. to Gilford Ave.: July 7th thru October 10th. During the construction day, traffic will be northbound only; southbound traffic will be detoured (see [Phase 2](#) detour plans). On weekends and evenings Union Avenue will be open to two-way traffic.

Please continue to visit the many businesses on Union Avenue and, as always, if you have questions or concerns please call DPW at 528-6379.

NOTICE OF CLEANING AND INSPECTION OF SANITARY SEWER MAINS

The City has contracted this required maintenance for the long term evaluation of these vital underground utilities on your street.

Please take notice of equipment and personnel as they may cause minor traffic inconvenience while performing their work.

Occasionally, during sewer cleaning, air pressure in the sewer main can cause water to splash out of toilets, sinks and drains in your home. Please take the following precautions to prevent water damage to your home:

Close lids and cover toilet bowls when not in use.

We remind you that the water that could come from this type of incident is from the bowl itself.

The common causes of air venting into homes during sanitary sewer cleaning are: air movement from normal cleaning operations, the use of higher pressure needed when cleaning sanitary sewer lines that have a steep slope, sewer lines running close to the building, a plugged roof vent, and the size and complexity of the home's ventilation system. This is why we ask you in order to minimize water splashing out of your toilet bowl, please keep the lid down.

If you have any further questions, please contact Matt Mooney at Laconia Public Works on 27 Bisson Avenue or call 528-6379.

Thank you for your cooperation!

BELKNAP MILL

WHERE ARTS AND HISTORY COME TO LIFE

Belknap Mill - Full STEAM Ahead!

A reduction in hours for the Belknap Mill to be open to the general public has been announced by the Board of Trustees for the Belknap Mill Society. The Mill will typically be open to the public Wednesday through Saturday from 10:00am to 4:00pm, although hours may vary due to events and private functions. The Belknap Mill will dedicate time to develop its award-winning fourth grade program, *My First Day of Work at the Mill*, become the sought after space for rentals with its historic charm and renovate its museum space for special events and showings. The Belknap Mill will continue to be open to the general public on Thursdays when Stewart Ramsey holds his sock demonstration, replicating the history of the Mill, as well as continue to work with local artists to showcase their work in the galleries.

Beth San Soucie, the Managing Director for the Belknap Mill, says, 'we are working hard to incorporate STEM education into our mission by putting the 'A' in STEM; moving the Mill – full STEAM ahead—all while doing our best to minimize disruptions to the services we provide to the public'. San Soucie will be working closely with the Board of Trustees to further refine and expand the offerings of the oldest, unaltered textile mill in the United States and official meetinghouse of New Hampshire. As the hours of the Belknap Mill will vary, please check the website for a list of events and hours at www.belknapmill.org, call ahead at (603) 524-8813 or email Beth at programs@belknapmill.org. The Belknap Mill has a permanent exhibit that interprets the history of the textile industry in Laconia, and has changing monthly exhibits focusing on the arts and history, as well as educational programs for all ages.

Rotary Park & Downtown Laconia

Sponsored by
Laconia Human Relations Committee,

BEST OF NEW HAMPSHIRE 2012

The 13th Laconia Multicultural Festival is Saturday!

The 13th Annual Laconia Multicultural Festival takes place rain or shine in downtown Laconia, Rotary Riverside Park and The Historical Belknap Mill on September 6! Activities start at 10 AM and end at 4 PM. Included in the day are free entertainment, food and craft vendors—some local and many representing a wide variety of cultures—along with exhibits, children activities, and the traditional parade.

The *Parade of International Flags*, organized by Larry Frates, leads off the day. As a special part of the day *Up With People* will join in with their flags. Traditionally, many flags are available to be carried. All are invited to find a flag of theirs or another cultural heritage and participate in the parade. It starts in the NH Bank area about 10:15 am and marches around downtown Laconia to Rotary Park.

Wah Lum Kung Fu and Tai Chi Academy of Malden, MA are a stunning addition to the day. Both are well known for their professional lion dance, dragon dance, drumming, and kung fu/tai chi performances, as well as the study of Chinese Martial Arts - be sure to see them! The *Black Thunder Singers* keep the old traditions, bringing powerful drumming, dancing, and singing to the park. Also, this year LMF has its very own cookbook: *Tastes of Nations* for sale at the LMF tent. It contains over 100 recipes collected from our original immigrants to the most recent ones and also includes stories and pictures of those sharing their recipes.

With the construction and other activities in downtown Laconia, *continuous* shuttle bus service has been arranged from 10 am to 4 pm. Beacon Street East is the central area for the Festival. The shuttle will pick you up and drop you off at various parking lots near the center of Laconia, going to and from Beacon Street East. Parking for the Festival can be found in the following areas: St Joseph's Church parking lot on Church Street, the Laconia Clinic area, and the Water Street lots.

The Laconia Multicultural Committee is especially appreciative of our many sponsors. We thank: the Laconia Human Relations Committee; the Penny Pitou-Milo Pike Family Fund; the Well Sense Health Plan; Genesis Behavioral Health; the Bank of NH; the Northway Bank; and Lutheran Social Services!

All entertainment is free through our sponsors and the many others whose donations we have received! Raffle tickets are available at the LMF booth. To relax in the park it is helpful to bring your own chair.

For more information visit www.laconiamulticulturalfestival.com and like us on Facebook.

The Laconia Human Relations Committee is joined by Laconia Main Street and the Historical Belknap Mill in hosting the Laconia Multicultural Festival.
