Laconia PD Officers pay their respects to the victims of the September 11, 2001 terrorist attack during a ceremony held at the Laconia Police Department last Thursday. The Department is fortunate to have a piece of the Twin Towers permanently displayed outside of the Laconia Police Department that residents and visitors can visit.

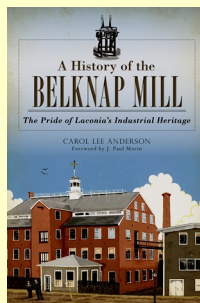

Laconia Public Library **Upcoming Events.....**

Introduction to "EFT"

Are you looking for a way to decrease your stress and improve the quality of your life? Are problems keeping you awake at night? If so, join us at the Library in Laconia Rotary Hall on September 25 from 6:30 - 8 pm for Introduction to Emotional Freedom Techniques (EFT) with Barbara Belmont. EFT is a gentle and easy to learn form of acupressure which releases emotional and mental blocks to success. Barbara is a success coach and Certified EFT Specialist. She will teach you how to solve the problems that keep you up at night.

Pre-registration is required for this free class by calling the Library at 524-4775 Ext. 12.

A History of the Belknap Mill with Author Carol Lee Anderson

The Library will host a presentation on the history of Laconia's Belknap Mill with author and historian Carol Lee Anderson on September 23@ 6:30 pm in Laconia Rotary Hall. Anderson is the author of the recently released book *A History of the Belknap Mill: The Pride of Laconia's Industrial Heritage*. Also on-hand to speak during the presentation will be J. Paul Morin, whose great-grandfather bought the Belknap Mill in 1913; the Morin family subsequently owned and operated a hosiery business at the Mill for three generations.

A History of the Belknap Mill encompasses not only the Mill's history but also the industrial history of Laconia. The intense battle for the Mill's preservation and restoration is described in the book, which includes interviews with "Save the Mills" and Belknap Mill Society founder, Peter Karagianis and with Dr. Richard Candee, an architectural historian who helped save the Mill from demolition during urban renewal and helped guide the Belknap Mill Society through the Mill's restoration process. Following the presentation books will be available for purchase and signing. The event is free and open to the public.

PLEASANT STREET RETURNS TO WALK TO SCHOOL WEDNESDAY

Walk to School Wednesday was a huge success last Wednesday at Pleasant Street School. Mayor Engler walked and shared some words about walking to school and being a part of the community. There were 63 students and 20+ parents, dogs and younger siblings that participated.

Rather than offer prizes for trivia and participation, attendance will be taken and incentives will be offered at the end of the year for those who stay the course.

The next walk is October 8th which is also National Walk to School Day!

MRS. GIBSON - HONORARY LHS ALUMNI OF THE YEAR

This year the LHS Alumni Committee has chosen Music Director Deborah Gibson as the Honorary Alumni of the Year. The award was established by the LHS Alumni Committee to recognize the contributions of the district's strongest supporters, who are not graduates of Laconia High School, but have dedicated their time and energy to Laconia School District. This fall Mrs. Gibson enters her 26th year of teaching at Laconia High School. She has led the LHS Marching Band in hundreds of halftime shows throughout New England as well as dozens of parades and competitions throughout North America. Over the years she has received the *NH Distinguished Music Educator* award from the NH Music Educators Association and has been recognized by the School Band and Orchestra publication as one of the "50 Band Directors Who Make A Difference." In 2011, she received the *NH Outstanding Band Director Award* from NH Band Directors Association as a lifetime achievement award.

LACONIA ELEMENTARY SCHOOLS OPEN THEIR DOORS

Last Thursday Elm Street School, Pleasant Street School and Woodland Heights School held Open House for parents and families. This is always a great time for families to come and meet the teachers and see what their students are learning.

News From the Laconia Water Department

Please click [here](#) for the Water Dept. website!

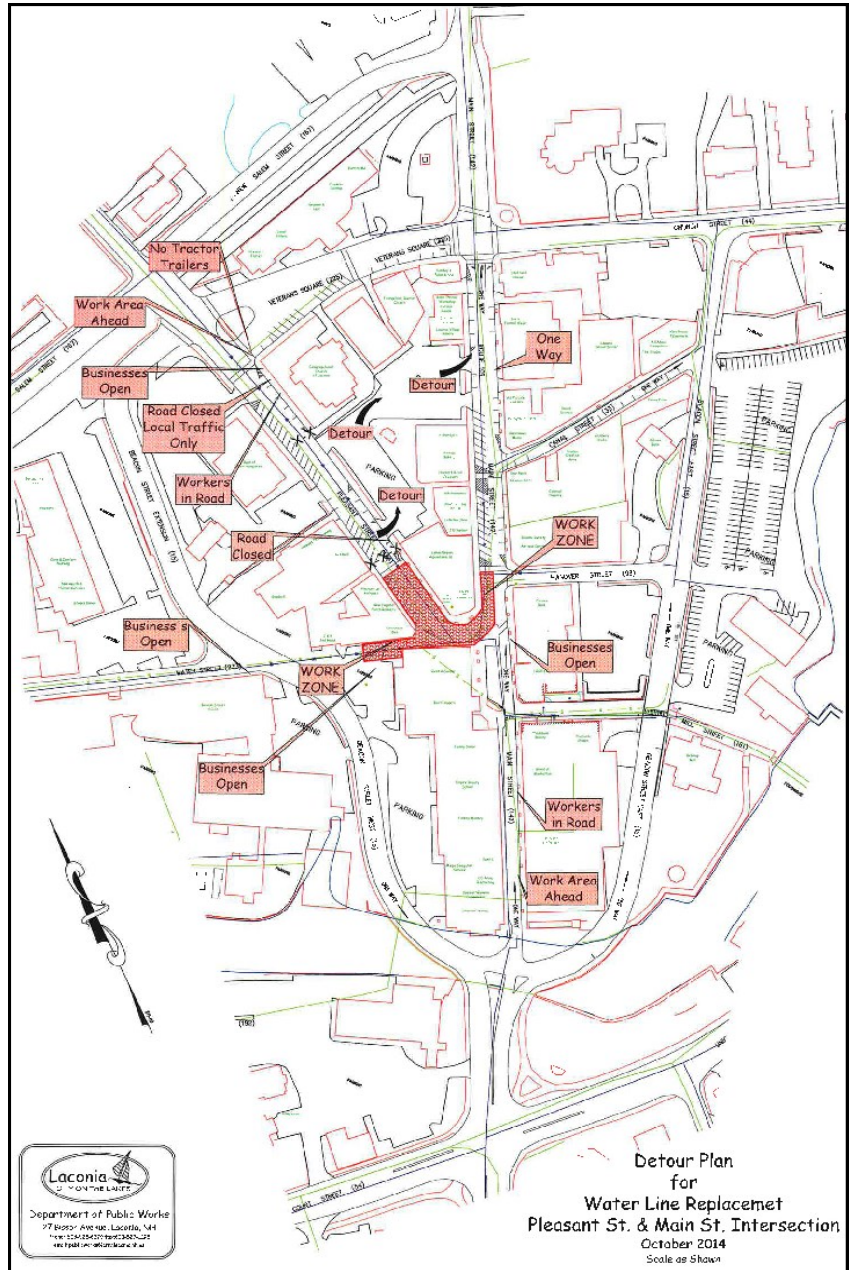

The Laconia Water Department is currently finalizing plans to replace approximately 300 feet of 12-inch and 8-inch water main in the intersection of Water, Pleasant and Main Streets. This work is intended to start on Monday, October 6, 2014 and last approximately 3-4 weeks. This schedule is governed by the water work being performed on the Main Street bridge and may begin as early as Monday, September 29, 2014, if scheduling permits.

Throughout our construction process, with the exception of weekends and holidays, the intersection of Pleasant and Main Streets will be closed to traffic. Closure of the road is necessary due to the volume of work, limited work area and the number of utilities that are involved. The map (right) shows the general area of the excavation and traffic patterns during the work process.

This Department would like to thank both the downtown merchants and the traveling public in advance for your cooperation and understanding during the construction process.

If you have questions on this project, please call the Water Department at 524-0901.

Thank You!

During the construction day, traffic will be northbound only; southbound traffic will be detoured (see [Phase 2](#) detour plans). On weekends and evenings Union Avenue will be open to two-way traffic.

Please continue to visit the many businesses on Union Avenue and, as always, if you have questions or concerns please call DPW at 528-6379.

Taylor
your life, your community™

*Trustees
Announce
President/
CEO
Decision*

Taylor Community's Board of Trustees have voted to appoint Bob Selig as President/CEO to "continue on the path of strengthening Taylor and further preparing and positioning the organization for the future." The Board asked Selig to step into the role of CEO one year ago and since that time he has provided the leadership and oversight to move Taylor forward on many fronts. This appointment means he will continue to lead the organization as President/CEO moving forward.

Selig served on the Board of Trustees a total of nine years – three as Vice-Chair and three as Chair. He describes his view of the community as a Board member as a "30,000-foot view" whereas as Taylor's president he's become much more familiar and involved close up and at a detailed level. "I've had the opportunity to get to know many residents and staff this past year and every day I am struck by how these remarkable people are so dedicated to this community. What especially stands out is how friendly everyone is and the caring and camaraderie that one sees and feels every day here. Our staff is terrific; their kindness, compassion, skill, expertise and devotion are second to none."

"I am truly honored that the Board asked me to serve as their President/CEO and I look forward to getting to better know more of the people who live here and work here. We will work together to ensure that Taylor continues to be the best continuing care retirement community in New Hampshire and beyond."
