This lecture is generously sponsored by the New Hampshire Humanities.

# LACONIA MIDDLE SCHOOL

A Request to our Community Members.....

In just a short while the 8<sup>th</sup> grade students will be celebrating a big step in their lives as they graduate from middle school and look forward to becoming high school students. It has been tradition in the past for the parents/guardians of these students to host a post-promotion celebration dance for them. This is a bittersweet time for parents but especially for the students as they celebrate each other by reminiscing about the past and looking forward to their futures.

We want to put on an amazing 8th grade promotion celebration for our students, and to do so requires some serious fundraising. If you have an 8th grader in your life, or if you just wish to support the youth in our community, please consider donating to this great cause by filling out the [fundraising form](#) and returning it with whatever you can afford. Your help raising money for a fun night for our students is very much appreciated!

The National Day of Prayer enables us to recall and to teach the way in which our founding fathers sought the wisdom of God when faced with critical decisions. It stands as a call to us to humbly come before God, seeking His guidance for our leaders and His grace upon us as a people.

The Lakes Region Inter-Faith Prayer Breakfast was started as a means of bringing together people of different backgrounds and affiliations to celebrate the blessing of the year and join in inclusive fellowship for the spiritual renewal of community, state and nation.
