Laconia Police Department officers were honored to be recognized recently at a Law Enforcement Appreciation Day Luncheon, hosted by the Laconia Friendship Club.

Members of the Club presented Chief Adams, Captain Canfield and Lieutenant Graton with a special law enforcement flag, and a generous donation to the Laconia Police Relief Association. Following the presentation, officers enjoyed lunch and dessert with members of the Club. On behalf of the Laconia Police Department, we thank you!

Message from

Fire Safety during Winter Storms

Winter storms can happen almost anywhere. They can cause us problems. Know what to do before, during and after a storm. This will help keep you and your family safe from a winter fire.

- ''' Test all smoke alarms. Do this at least once a month. This way you will know they are working. Install carbon monoxide alarms in your home. Test the alarms.
- ''' Plan two ways out of the home in case of an emergency. Clear driveway and front walk of ice and snow. This will provide easy access to your home.
- ''' Make sure your house number can be seen from the street. If you need help, firefighters will be able to find you.
- ''' Be ready in case the power goes out. Have flashlights on hand. Also have battery-powered lighting and fresh batteries. Never use candles.
- ''' Stay aware of winter weather. Listen to the television or radio for updates. Watch for bulletins online.
- ''' Check on neighbors. Check on others who may need help.
- ''' Generators should be used outdoors. Keep them away from windows and doors. Do not run a generator inside your garage, even if the door is open.
- ''' Stay away from downed wires. Report any downed wires to authorities.
- ''' Be ready if the heat stops working. Use extra layers of clothes and blankets to stay warm. If you use an emergency heat source, keep anything that can burn at least 3 feet away.
- ''' Turn portable heaters off when you leave the room. Turn them off when you go to bed.

IMPORTANT REMINDER

There are more home fires in winter than in any other season. Half of all home heating fires happen in December, January and February.

As you stay cozy and warm this winter season, be fire smart!

Fact

Nearly half of all space heater fires involve electric space heaters.

Youth Mental Health First Aid

An 8-hour certification course for caring adults who want to help youth (ages 12-18) who may be in crisis or experiencing a mental health challenge.

The course is designed for adults who regularly interact with adolescents (teachers, school staff, coaches, youth group leaders, parents, bus drivers, etc.). In January 2013, President Obama recommended Youth Mental Health Training for all. The core Mental Health First Aid course has been successfully offered to more than 100,000 people across the USA, including hospital staff, employers and business leaders, faith communities, law enforcement, and the general public. Below are the two trainings that are available.

DATE	TIME	LOCATION	TARGET AUDIENCE
Monday, February 27	8:00 - 4:00pm	SAU Board Room 39 Harvard Street	Community Members Other School Districts Staff Laconia School District Staff
Tuesday, February 28	8:00 - 4:00pm	SAU Board Room 39 Harvard Street	Community Members Other School Districts Staff Laconia School District Staff

WHAT WILL PARTICIPANTS LEARN?

The course teaches participants the risk factors and warning signs of a variety of mental health challenges common among adolescents, including anxiety, depression, psychosis, eating disorders, AD/HD, disruptive behavior disorders, and substance use disorder. Participants do not learn to diagnose, nor how to provide any therapy or counseling – rather, participants learn to support a youth developing signs and symptoms of a mental illness or in an emotional crisis by applying a core five-step action plan:

- ~Assess for risk of suicide or harm
- ~Listen nonjudgmentally
- ~Give reassurance and information
- ~Encourage appropriate professional help
- ~Encourage self-help and other support strategies

The Youth Mental Health First Aid USA curriculum is primarily focused on information participants can use to help adolescents and transition-age youth, ages 12-18.

The NH Department of Safety, Division of Motor Vehicles is pleased to announce that a new computer system (VISION) will be implemented in the month of February.

As a result, there will be an interruption of motor vehicle registration processing statewide. Town/City Clerk's offices, along with the DMV offices, **will be unable to process new or renewal registrations over the President's Day holiday weekend, beginning Friday, February 17, 2017, and will be resuming transactions on Wednesday, February 22, 2017.**

Throughout this process, the City Clerk's office will be open for other transactions not related to vehicle registrations during our normal, scheduled hours of operation
(Monday - Friday, 8:30 am to 4:30 pm)

If you have a new registration, a temporary plate or your registration renewal is due during the month of February, please make sure you are aware of the processing interruption.

Please feel free to visit the DMV website at www.nh.gov/dmv for updates concerning this implementation.

For children ages 6-12. Extended care is available.

It's a special time of year—chilly and sparkly white outside, and there are so many fun things to do! Winter camp is one of our favorite programs—it has a “personality” that is so different from Spring and Summer camps because we see Prescott Farm from such a different perspective!

Depending on the weather, the week will be a mix of:

- Animal tracking & Snowshoeing adventures
- Sledding
- Winter games such as “Weasels & Voles”
- Snowcrafts such as building “quinzhees” or igloos
- Going on a Winter Quest
- Exploring the frozen pond
- Winter-themed arts & crafts projects
- Maple Sugaring
- Stories around the campfire

STILL SOME
SPOTS OPEN!

Please Note: Please dress campers for being outside in the cold, including warm coats, snowpants, hats, mittens/gloves, warm socks and insulated boots. We *highly recommend* dressing in layers and prefer wool and fleece fabrics (rather than cotton) as they stay warmer if they get wet. **Please send an extra change of clothes, socks and mittens.** Campers should also bring along an indoor pair of shoes.

You can register by the day or for the full week.

***PLEASE NOTE THAT REGISTRATIONS, PAYMENT AND PAPERWORK MUST BE RECEIVED BY FEBRUARY 21. FEES FOR REGISTRATIONS RECEIVED AFTER 2/21/17 WILL BE \$260/WEEK OR \$52/DAY (\$210/WEEK OR \$42/DAY MEMBERS).**

****Offer valid if you register your child for a full week of camp (not individual days) and refer a friend that also registers for the full week. The \$10 will be returned as a rebate check on the first day of camp.**

NEW!

Keep your camper warm with a Prescott Farm Kids' Gnome Hat. Recycled fleece repels water and dries quickly!
