LIVING AND WORKING IN SPACE

Hour of Code™

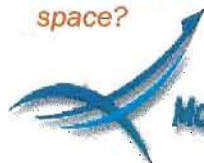

Tuesday, January 10 @ 3:30pm
Rotary Hall

The McAuliffe-Shepard Discovery Center will be visiting to discuss what it is like living and working in space. Using exclusive NASA videos and a variety of visual and hands on demonstrations, students will learn how astronauts live and work in space while answering questions like:

What is it like to live in space? How do

astronauts adjust to microgravity? What are the astronauts doing in space?

McAuliffe-Shepard Discovery Center

Recommended for grades 1-6

Tuesday, January 17 @ 3:30pm
Reference Room

The 'Hour of Code™' is a nationwide initiative by Computer Science Education Week (csedweek.org) and Code.org to introduce millions of students to one hour of computer science and computer programming.

Recommended for grades 2-6
