# MUSIC ON THE RIVER CONCERT SERIES

**FREE!**

## BELKNAP MILL

WHERE ARTS AND HISTORY COME TO LIFE

### ***Freese Brothers Big Band at the Belknap Mill***

The Belknap Mill is excited to present the Freese Brothers Big Band Concert on Friday, August 11th from 6:30m-8 p.m. in Rotary Riverside Park and Gazebo located behind the Mill. This concert series is generously sponsored by the Putnam Fund to provide the citizens of the greater Laconia area the opportunity to gather and enjoy musical talents in the heart of downtown Laconia.

The Band was formed in 1982 by the four Freese Brothers: Jack, Bill, George, and Courtland, who began playing music together in a family performing troupe in the 1930's. The purposes of the Band are to support and encourage the development of the musical talents of the public (especially young musicians) and its members, and to foster an appreciation of music of all eras. The men and women of the Freese Brothers Big Band live and work throughout Central and Southern New Hampshire. Band members come from diverse professional and musical backgrounds and include talented local high school students. They blend their years of experience to produce the distinctive sound of the Freese Brothers Big Band.

The Band has awarded nearly \$60,000 in scholarships to help area high school musicians improve their musical abilities.

This is a free event that is open to the public. "We encourage you to bring the family, a picnic dinner and your lawn chairs and enjoy the music and relax," says Events and Program Coordinator, Jennifer McLean. Should there be inclement weather the show will be held on the third floor of the Belknap Mill at 25 Beacon Street East in Laconia. For a listing of the artists, visit the Belknap Mill website at [www.belknapmill.org](http://www.belknapmill.org), or find them on Facebook.

For a listing of the artists or further information on the Mill and its events, e-mail Jennifer McLean at [programs@belknapmill.org](mailto:programs@belknapmill.org), visit [www.belknapmill.org](http://www.belknapmill.org) or call (603) 524-8813.

## Volunteer to help at the City on the Lakes Tri Festival!

Join us on August 13, 2017 for the City on the Lakes Tri Festival Sprint Distance Triathlon replacing the Timberman Triathlon in New Hampshire at Opechee Park, Laconia, NH

Can't race? Still want to be a part of the action? Why not volunteer? Serving as a volunteer is a great way to participate and support our beneficiary, The WOW Trail. Round up some friends and join the City on the Lakes Tri Festival family! We cannot do this without you!

Every volunteer will receive a City on the Lakes Tri Festival CREW t-shirt, food tent voucher and bragging rights!

For more information or to volunteer please send email to [info@downtowngymlaconia.com](mailto:info@downtowngymlaconia.com)

As a part of the Laconia-Gilford Lions Club's 70<sup>th</sup> Anniversary celebration, the organization marked the occasion by purchasing the final granite paver on Phase 2 of the WOW Trail behind the train station.

Lions Clubs offer people the opportunity to give something back to their communities. From involving members in projects as local as cleaning up an area park or as far-reaching as bringing sight to the world's blind, Lions Clubs have always embraced those committed to building a brighter future for their community. Lions meet the needs of local communities and the world. The 1.35 million members of their volunteer organization in 206 countries and geographic areas are different in many ways, but share a core belief - community is what we make it.

The WOW Trail is grateful to the men and women of the Laconia-Gilford Lions Club who are, indeed, making a making a difference in the local community every day.

A total of 63 granite pavers were purchased by local business, individuals and service organization as a part of the WOW Trail Phase 2 fundraising effort, raising over \$50,000 for the WOW Trail.

## Pets of the Week: Marley Boy & KiKi

Two fast feline friends finding themselves at a loose end at NH Humane Society, now seek a permanent home – not separated.

They've always lived together, hence we do not want to split them up. Sadly surrendered by a family no longer able to care for the duo, we promised that Marley aged seven and Kiki, just five years young, would not be parted.

These two cats are an amiable, friendly couple who will assimilate well, after a settling in phase, into practically any home.

Neither is fazed by usual family life and are wonderful feline companions in the making. Kiki, a gorgeous tabby and Marley, spiffy and all black have been waiting since June for a new home.

Would it make them even more appealing if we told you that Marley has some musical ability- its true. In his former home, he had been known to strum and pluck a guitar string or two, so if you have such an instrument and actively play it, this is indeed a special and fun trait. We don't know if he's named after reggae icon Bob Marley, but he obviously has similar talents!
